**NOTICE OF MOTION AND MOTION**

TO ALL PARTIES AND COUNSEL OF RECORD:

PLEASE TAKE NOTICE that on \_\_\_\_\_, 2017, or at such other date as may be agreed upon, in Courtroom 6 of the United States District Court for the Northern District of California, located at 450 Golden Gate Avenue, San Francisco, California, Plaintiff the United States will and hereby does move this Court to approve the finalized Environmental Mitigation Trust Agreement for State Beneficiaries (“State Trust Agreement”) and the Environmental Mitigation Trust Agreement for Indian Tribe Beneficiaries (“Indian Tribe Trust Agreement”) that are appended to this motion as Attachments A and B.

As set forth in the memorandum in support of this motion, the Court should approve the finalized Trust Agreements because they further the purpose of the Partial Consent Decree and the Second Partial Consent Decree. Dkt. No. 2103-1 at 19, ¶17, Appendix D (Form of Environmental Trust Agreement); Dkt. No. 3228-1 at 17-19, ¶¶17-19.<sup>1</sup> The State of California will file a joinder in the United States’ motion. Defendants do not oppose this motion. Accordingly, the United States now respectfully requests that the Court sign and enter a proposed Order approving the finalized Trust Agreements and establishing the Volkswagen Diesel Emissions Environmental Mitigation Trust for State Beneficiaries, Puerto Rico, and the District of Columbia (“State Mitigation Trust”), and the Volkswagen Diesel Emissions Environmental Mitigation Trust for Indian Tribe Beneficiaries (“Indian Tribe Mitigation Trust”).

**MEMORANDUM IN SUPPORT OF MOTION**

**I. INTRODUCTION**

In this motion, the United States provides the Court with two finalized Trust Agreements (see Attachments A and B) that have been approved by the United States, by the Defendants and the Trustee, Wilmington Trust, N.A. (“WTNA”), in accordance with Paragraph 17 of the Partial Consent Decree. Dkt. No. 2103-1 at 19. Because these Trust Agreements differ in certain significant respects from the

1 form of the trust agreement that the Court approved as Appendix D to the Partial Consent Decree  
2 (“Appendix D”), the United States seeks Court approval of the final Trust Agreements.

3 Section II of this motion provides a brief background on the requirements of the Partial Consent  
4 Decree and the Second Partial Consent Decree with respect to the establishment of the Trusts. Section  
5 III briefly explains the changes that were made to the form of the trust agreement, and explains why  
6 such changes further the purpose of the Partial Consent Decree and the Second Partial Consent Decree  
7 by establishing a sound trust structure to fund Eligible Mitigation Actions proposed by the Beneficiaries  
8 to achieve reductions of nitrogen oxide (“NOx”) emissions in the United States. Section IV provides  
9 notice to the Court of a pending federal indictment of Wilmington Trust Corporation (“WTC”), a second  
10 tier bank holding company that is the corporate parent of WTNA, the Trustee, and explains that, after a  
11 thorough investigation of the matter, the United States does not believe that the federal indictment of  
12 WTC jeopardizes WTNA’s ability to serve as Trustee.

13 Both the State of California and the Defendants were parties to the negotiation of the finalized  
14 Trust Agreements and approved the changes to the form of trust agreement contemplated by Appendix  
15 D, which are reflected in the finalized Trust Agreements. Each of those changes furthers the purpose of  
16 the Trusts. The State of California, the Defendants, and the Beneficiaries do not object to WTNA  
17 continuing as Trustee. Accordingly, the United States respectfully requests the Court to enter the  
18 attached proposed Order approving the finalized Trust Agreements and establishing the State Mitigation  
19 Trust and the Indian Tribe Mitigation Trust. Because this motion is unopposed by the Defendants and  
20 the State of California has joined the motion, the United States requests the Court to approve the  
21 finalized Trust Agreements without a hearing.

## 22 **II. BACKGROUND**

23 Pursuant to the Partial Consent Decree, the Settling Defendants are required to make \$2.7 billion  
24 in payments to the Trust to fulfill their environmental mitigation obligations under the Decree. Dkt. No.  
25 2103-1 at 15, ¶14, 183 (Appendix D). Similarly, the Second Partial Consent Decree requires the  
26 Defendants to make \$225 million in mitigation trust payments to the Trust. Dkt. No. 3228-1 at 17, ¶17.  
27 The Trust’s funds are intended to fully mitigate the total lifetime excess NOx emissions through

1 environmental mitigation projects that reduce NOx emissions (“Eligible Mitigation Actions” as set forth  
 2 in Appendix D-2 of the Partial Consent Decree) in places where Defendants’ TDI diesel engine cars  
 3 were, are or will be operated. Dkt. No. 2103-1 at 183. The Trust’s purpose is to fund Eligible  
 4 Mitigation Actions to be proposed and administered by the Beneficiaries, which are the 50 States, Puerto  
 5 Rico, the District of Columbia, and the federally-recognized Indian Tribes. *Id.* at 184 (Trust purpose),  
 6 207 (Appendix D-1 - list of initial allocation for Beneficiaries); Dkt. No. 3228-1 at 164 (initial 3.0 liter  
 7 mitigation allocation appendix).

8 The Partial Consent Decree established a procedure for the selection of a trustee. Dkt. No. 2103-  
 9 1 at 16-18, ¶15. After satisfying these procedural requirements, the United States requested the Court to  
 10 appoint WTNA as the Trustee. Dkt. No. 2964 at 7. On March 15, 2017, the Court granted the motion  
 11 and appointed WTNA. Dkt. No. 3030 at 2. Pursuant to the Partial Consent Decree, the United States  
 12 negotiated with the Trustee, the State Beneficiaries, and the Defendants, and consulted with  
 13 representatives of Indian Tribe Beneficiaries, to finalize the Trust Agreements. Dkt. No. 2103-1 at 18-  
 14 19, ¶16. The Partial Consent Decree then requires the United States to file the finalized Trust  
 15 Agreement with the Court to establish the Trust. *Id.* at 19, ¶17. As noted above, because the Trust  
 16 Agreements attached hereto as Attachments A and B differ in certain significant respects from the form  
 17 of the trust agreement that the Court approved as Appendix D to the Partial Consent Decree, the United  
 18 States seeks the Court’s approval of the final Trust Agreements.

19 Pursuant to the Partial Consent Decree, Settling Defendants made an initial deposit of \$900  
 20 million in mitigation trust payments on November 22, 2016, which was deposited into the Court  
 21 Registry because the Trust under the Partial Consent Decree had not yet been established. Dkt. No.  
 22 2103-1 at 15-16, ¶14.a. and d.; see also Dkt. No. 2118 at 4; Dkt. No. 2210 at 4. On June 15, 2017,  
 23 Defendants, as required by the Second Partial Consent Decree, made an additional payment of \$225  
 24 million into the Court Registry because the Trust had not yet been established. Dkt. No. 3228-1 at 17,  
 25 ¶17.

### 26 **III. OVERVIEW OF SIGNIFICANT CHANGES TO TRUST AGREEMENTS**

27 Appendix D of the Partial Consent Decree contains a form of the Environmental Mitigation Trust

1 Agreement. Dkt. No. 2103-1 at 183-225. The parties contemplated that the form of the trust agreement  
2 would need to be modified after the Court appointed a trustee, and expressly provided that the United  
3 States would provide the selected trustee with an opportunity to request changes to the form of the trust  
4 agreement in Appendix D. *Id.* at 18, ¶16. After the Court appointed WTNA as Trustee, the United  
5 States met with the State Beneficiaries of the Trust, the Trustee, and the Defendants to discuss the terms  
6 of an agreement. During this negotiation period, the United States also contacted representatives of the  
7 National Tribal Air Association (“NTAA”), an organization with 117 principal member federally-  
8 recognized Indian Tribes, to solicit NTAA’s input regarding Trust provisions pertaining to Indian Tribe  
9 Beneficiaries. After extensive negotiations, the parties reached an accord, determining that two separate  
10 trust agreements should be established. In this Section III, we provide an overview of the significant  
11 differences between the form of the trust agreement in Appendix D to the Partial Consent Decree and  
12 the finalized Trust Agreements contained in Attachments A and B to this motion.

13 A. The Establishment of Two Trust Agreements

14 Appendix D contemplated the formation of one trust to provide funds for the Beneficiaries,  
15 which include the 50 States, Puerto Rico, the District of Columbia, and the federally-recognized Indian  
16 Tribes. Dkt. No. 2103-1 at 207 (Appendix D-1 - list of initial allocation for Beneficiaries); Dkt. No.  
17 3228-1 at 164 (initial 3.0 liter mitigation allocation appendix). During negotiations, the Trustee pointed  
18 out that different tax provisions would apply to the 50 States, Puerto Rico, and the District of Columbia  
19 than to the federally-recognized Indian Tribes. However, if one trust included all of these Beneficiaries,  
20 the States, Puerto Rico, and the District of Columbia would be subject to federal taxation on the trust’s  
21 income that otherwise could be treated as tax-exempt under 26 U.S.C. § 115. As a result, the parties  
22 decided to create two separate trusts: a State Mitigation Trust to serve the States, Puerto Rico, and the  
23 District of Columbia, and an Indian Tribe Mitigation Trust to serve the Indian Tribe Beneficiaries. The  
24 creation of separate trusts required a reallocation of administrative cost subaccounts to ensure that the  
25 Indian Tribe Mitigation Trust could function as a stand-alone trust, which is now reflected in revisions  
26 to allocations to the administrative cost subaccounts in Appendices D-1 and D-1A to each Trust. *See*  
27 Attachment (“Att.”) A and Att. B, Appendices D-1 and D-1A.

1 B. Elements Common to the Two Trust Agreements

2 The following is a summary of elements common to both Trust Agreements that differ  
3 significantly from the form of the trust in Appendix D.

4 1. Discretionary Trust vs. Directed Trust

5 Appendix D provided for the establishment of a discretionary trust in which a trustee would hire  
6 outside experts to review the Beneficiaries' funding requests and to evaluate whether the requests  
7 constituted an approvable Eligible Mitigation Action under Appendix D-2. Dkt. No. 2103-1 at 188,  
8 ¶3.1.2.5. After discussion of potential liability risks to the Trusts' assets and the potential advantages in  
9 streamlining the funding process, the parties agreed to structure each Trust Agreement as a directed trust  
10 in which each Beneficiary submits a funding request certifying that its request meets the requirements  
11 regarding Eligible Mitigation Actions in Appendix D-2. See Att. A at 25, Att. B at 28, ¶5.2. Pursuant to  
12 the Trust Agreements, the Trustee is permitted to rely on a Beneficiary's certification with no further  
13 duty of inquiry. Att. A at 26, Att. B at 29, ¶5.2.15. The EPA will have no role in determining the  
14 eligibility of funding requests, subject to the United States' general oversight role as discussed below.<sup>2</sup>  
15 Nevertheless, the Trust Agreements contain robust procedural safeguards to protect against fraud. The  
16 Trustee is required to have an annual independent audit prepared and posted on its website. Att. A at 10,  
17 Att. B at 11, ¶3.1.2.6. To facilitate the funding process, the parties prepared a separate funding request  
18 certification form in a new Appendix D-4 to the Trust Agreements. Id. at Appendix D-4. According to  
19 Appendix D-4, each Beneficiary must prepare a detailed budget, certify that all vendors are selected in  
20 accordance with law, identify the governmental entity responsible to audit expenditures, and commit to  
21 make all supporting documentation publicly available. Id. In addition, each funding request from a  
22 Beneficiary must be posted on the Trustee's website. Att. A. at 26, Att. B at 29, ¶5.2.14. Each  
23 Beneficiary must submit semiannual reports on the Eligible Mitigation Actions under penalty of perjury;  
24 these reports will be made publicly available on the Trustee's website. Att. A at 27, Att. B at 30, ¶5.3.

25  
26  
27 <sup>2</sup> The EPA will continue to administer the Diesel Emission Reduction Program (DERA) grants  
pursuant to 42 U.S.C. §§ 16132 and 16133 and all applicable DERA guidance, as relates to Eligible  
Mitigation Action #10.

1 Also, the United States, by and through EPA, and each Beneficiary, shall have the right upon 14 days'  
2 prior written notice to inspect the Trustee's books and records, as well as supporting documentation. Att.  
3 A at 13, Att. B at 15, ¶3.3. Finally, the United States retains the right to object to the Court about the  
4 Trustee's funding decisions. Att. A at 27, Att. B at 29, ¶5.2.16.

## 5 2. Delaware Statutory Trust

6 Appendix D left open whether the trust would be governed by California or Delaware law. Dkt.  
7 No. 2103-1 at 203, ¶6.3. The Trustee proposed that each Trust be established as a Delaware statutory  
8 trust, which would allow the parties to define the Trust's duties in each Trust Agreement. To establish  
9 this statutory trust under Delaware law, the parties prepared a form of a certificate of trust as a new  
10 Appendix D-5 to the Trust Agreements. See Att. A and Att. B, Appendix D-5. Consistent with  
11 Delaware law, both Trust Agreements also list the specific powers of the Trust in each Agreement (Att.  
12 A at 9-11, Att. B at 11-13, ¶¶3.1.2 - 3.1.2.19), rather than requiring the establishment of separate bylaws  
13 as originally proposed in Appendix D. Dkt. No. 2103-1 at 188, ¶3.1.2.3. To protect the interests of both  
14 the Trustee and the Beneficiaries, the Trustee is required to have an annual audit prepared by an  
15 independent auditor, which the Trustee will post on its website. Att. A at 10, Att. B at 11, ¶3.1.2.6. The  
16 Trust Agreements also include a provision allowing the United States and the Defendants to request the  
17 Trustee to provide a copy of all documents at the termination of the Trust (Att. A at 14, Att. B at 16,  
18 ¶3.3.2), and provide for termination of the Trust pursuant to Delaware law. Att. A at 35, Att. B at 37,  
19 ¶6.8.

## 20 3. Separation of Trustee and Investment Manager Roles

21 Appendix D assumed that a trustee would both administer the trust and manage the investment of  
22 trust funds. Dkt. No. 2103-1 at 187-189, ¶¶3.1, 3.2. In negotiations, the Trustee noted that a different  
23 standard of care applies under Delaware law for these two functions. Accordingly, the Trust  
24 Agreements provide that Wilmington Trust, N.A. is acting in two distinct roles (Att. A at 8, Att. B at 10,  
25 ¶3.0.1), and specifies the applicable standard of care for a trustee and an investment manager. Att. A at  
26 9, Att. B at 10, ¶3.1.1; Att. A at 12, Att. B at 13, ¶3.2.2.

## 27 4. Payment of Trustee and Investment Manager

1 Appendix D provided for the trustee to be paid for its services on an hourly basis. Dkt. No.  
 2 2103-1 at 192, ¶3.6. The Trustee proposed a fee schedule that contained an initial start-up cost and a  
 3 monthly fee for services as Trustee administrator, and a fee for investment management services that is  
 4 deducted from the investment earnings on trust assets. Att. A at 17, Att. B at 19, ¶3.6. This fee  
 5 schedule, which the Trustee will provide to the Beneficiaries on a secure internet site, is now referenced  
 6 in the Trust Agreements. *Id.*

7 5. Insurance and Indemnification

8 Appendix D provided that the trustee should not be personally liable for any claim asserted  
 9 against the trust except for actions or omissions determined by the court to be fraudulent, negligent, or  
 10 willful misconduct by the trustee. Dkt. No. 2103-1 at 191, ¶3.5.2. Appendix D generally authorized a  
 11 trustee to purchase insurance to protect against claims. *Id.* at 188, ¶3.1.2.6. Based on its business  
 12 experience in the market, the Trustee requested that this authority to obtain insurance expressly include  
 13 its officers and directors as well as tax professionals hired by the Trustee. In addition, the Trustee  
 14 requested that it be provided indemnification against each Trust's administration accounts for claims  
 15 unless the Court found that the Trustee's actions were fraudulent, negligent or willful misconduct. The  
 16 Trust Agreements were modified to include these provisions. Att. A at 10, Att. B at 12, ¶3.1.2.8; Att. A  
 17 at 15, Att. B at 17, ¶3.5.3.

18 6. Consequential Damages

19 Appendix D did not address the issue of consequential damages. In the Trust Agreements, the  
 20 parties agreed to limit consequential damages claims by Beneficiaries against the Trustee to cases of  
 21 fraudulent or willful misconduct, and to bar consequential damages for claims by third parties against  
 22 the Trustee. Att. A at 17, Att. B at 18-19, ¶¶3.5.6, 3.5.7.

23 C. Elements Distinct to the Indian Tribe Trust Agreement

24 1. Technical Assistance Provider, Tribal Advisory Council, and Option of  
 25 Consultation Motion

26 The United States consulted with Indian Tribes for a 60-day period after lodging the Partial  
 27 Consent Decree to discuss the allocation of funds in the Tribal Allocation Subaccount of the Trust. Dkt.

1 No. 2103-1 at 185, ¶2.1.1. Paragraph 2.1.1.1 of Appendix D provided the United States with the option  
2 to file a consultation motion with the Court seeking approval of the allocation mechanism that resulted  
3 from the consultation period. *Id.*, ¶2.1.1.1. During the consultation period, Indian Tribe representatives  
4 requested technical assistance in preparing funding requests and asked that a Tribal Advisory Council be  
5 established to assist the trustee in evaluating funding requests by Indian Tribes. The United States  
6 conferred with NTAA representatives, which had established a national Volkswagen settlement working  
7 group, to discuss changes to the form of the trust agreement set forth in Appendix D. In response to  
8 comments received during the consultation period, the Indian Tribe Trust Agreement includes both a  
9 technical assistance provider and a Tribal Advisory Council. Att. B at 6-8, ¶¶2.1.1.1 - 2.1.1.5; Att. B at  
10 8, ¶2.1.4. Due to the addition of these sections to the Indian Tribe Trust Agreement, the United States  
11 did not file the optional consultation motion and deleted this provision from the Indian Tribe Trust  
12 Agreement.

## 13 2. Distribution of Tribal Allocation Subaccount

14 Appendix D set up a six-year period for Indian Tribe Beneficiaries to apply for funds. Dkt. No.  
15 2103-1 at 197, ¶ 5.0.5. If funding requests from Indian Tribes exceeded the allocation for a funding  
16 cycle year (“oversubscribed”), Appendix D provided that no funds would be distributed until the  
17 following year. *Id.* at 198-199, ¶5.0.5.2.3. After six years, Appendix D required that any funds left in  
18 the Tribal Allocation Subaccount would be returned to the trust for reallocation to State Beneficiaries.  
19 *Id.* at 198, ¶5.0.5.2.1. During the consultation period, Indian Tribes objected to these requirements. In  
20 response to these objections, the Indian Tribe Trust Agreement now establishes a 10-year period for  
21 distribution of funds in the Tribal Allocation Subaccount. Att. B at 26-27, ¶¶5.0.5.2.1 - 5.0.5.2.7.  
22 Moreover, the Indian Tribe Trust Agreement includes a specific allocation method based on census  
23 figures for Indian Tribes for any oversubscribed funding cycle year. *Id.* at 26, ¶5.0.5.2.3.

## 24 **IV. INDICTMENT OF WILMINGTON TRUST COMPANY**

25 In August 2016, the United States Attorney for the District of Delaware filed a Third  
26 Superseding Indictment (“Indictment”) of WTC and four of its executives. WTC is currently the  
27 corporate parent of the Trustee, WTNA, as a result of a merger and corporate reorganization that took

1 place after the period of the criminal activity alleged in the Indictment. The Indictment alleges that  
2 WTC and the individual defendants misrepresented the quality of the bank's loan portfolio to the  
3 Federal Reserve, the Securities and Exchange Commission, and to investors from the third quarter of  
4 2009 through the third quarter of 2010. According to the Indictment, WTC raised \$290 million in a  
5 securities offering in February 2009. The Indictment specifically alleges that WTC underreported its  
6 amount of "past due" loans by over \$300 million during the relevant time period and in connection with  
7 the capital raise.

8 Counsel for the United States became aware of the Indictment of WTC after the Court appointed  
9 WTNA as the Trustee. The United States has conducted a thorough investigation, reviewing publicly  
10 available information, making detailed, specific queries of WTNA, and conferring with federal bank  
11 regulators. The United States scrutinized the current corporate structure of WTC and WTNA and their  
12 corporate structure at the time of the alleged misconduct in 2009-2010. The United States also  
13 examined the relationship of the WTNA employees who have been identified as likely to perform  
14 services for the Trusts with those accused of alleged wrongdoing in the Indictment. Based on this  
15 investigation, the United States determined that WTNA's current business lines, and those of its  
16 corporate predecessor, are not related to the business segment at issue in the Indictment. The United  
17 States found that there was no overlap between WTNA employees who have been identified as likely to  
18 perform services for the Trusts and the WTC business segment involved in the Indictment. Based on  
19 discussions with federal regulators, we believe that if WTC is convicted, any possible collateral  
20 consequences for WTNA would not affect WTNA's ability to fulfill its responsibilities under the Trust  
21 Agreements. In sum, based on this investigation, the United States has concluded that the Indictment  
22 and possible conviction of WTC will not jeopardize WTNA's ability to serve as the Trustee. The United  
23 States has disclosed its conclusion to the State of California, the Defendants, and the Beneficiaries, and  
24 none objects to WTNA continuing as Trustee.

## 25 **V. CONCLUSION**

26 For the reasons stated herein, the United States requests the Court to approve the finalized Trust  
27 Agreements (appended as Attachments A and B) and to establish the State Mitigation Trust and the

1 Indian Tribe Mitigation Trust. The State of California intends to file a joinder in the United States'  
2 motion. Defendants do not oppose this motion. A proposed Order has been submitted concurrently with  
3 this motion.

2.0.2 Trustee. In accordance with Paragraph 3.0 below, on the Trust Effective Date, the Trustee, not individually but solely in the representative capacity of trustee, shall be appointed as the Trustee in accordance with the Consent Decree to administer the State Mitigation Trust in accordance with this State Trust Agreement and the Consent Decree.

2.0.3 Trust Purpose. It shall be the purpose of the State Mitigation Trust to timely and efficiently fund Eligible Mitigation Actions to be proposed and administered by the Beneficiaries subject to the requirements of the Consent Decree and this State Trust Agreement, and to provide funds for the administration and operation of this State Trust in accordance with this State Trust Agreement. liquidity of principal as may be required to fund Eligible Mitigation Actions and Trust Administration Costs.

3.2.1 Any investment income that is not reinvested shall be deposited into the State Trust Account for distribution among the Beneficiaries or Supplemental Funding Eligible Beneficiaries, weighted in accordance with the allocation in place at the time of such deposit.

The Investment Manager shall comply with all applicable laws and shall be held to a fiduciary standard of care with respect to the investment and reinvestment of the principal and income of Trust Assets; except that the right and power of the Investment Manager to invest and reinvest the Trust Assets shall be limited to: (i) demand and time deposits, such as certificates of deposit, in banks or other savings institutions whose deposits are federally insured; (ii) U.S. Treasury bills, bonds, and notes, including, but not limited to, long-term U.S. Treasury bills, bonds, and notes; (iii) repurchase agreements for U.S. Treasury bills, bonds, and notes; (iv) AA or AAA corporate bonds (with the rating awarded by at least two of the three major rating agencies (Standard & Poor's, Moody's, or Fitch)); or (v) open-ended mutual funds owning only assets described in subparts (i) through (iv) of this subsection; *provided*, however, that the value of bonds of any single company and its affiliates owned by the State Trust directly rather than through a mutual fund shall not exceed \$10 million when purchased, but may be held, despite increase in value, so long as such amount does not exceed \$16 million. Any such investments shall be made consistently with the Uniform Prudent Investor Act. The determination of the rating of any investments made by the Investment Manager shall be made on the date of acquisition of any such investment or on the date of re-investment. The Investment Manager shall reconfirm that all investments of Trust Assets still meet the original rating requirement on a quarterly basis. If the Investment Manager determines that any particular investment no longer meets the rating requirement, the Investment Manager shall substitute that investment with an investment that meets the ratings requirement as promptly as practicable, but in no event later than the next reporting period. Previously purchased securities downgraded below AA may be held for a reasonable and prudent period of time if the Investment Manager believes it is in the interest of the State Trust to do so. The borrowing of funds or securities for the purpose of leveraging, shorting, or other investments is prohibited. Investment in non-U.S. dollar denominated bonds is prohibited. Except for actions or omissions of the Investment Manager that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct, the Investment Manager and its officers, directors, or employees shall have no liability for any and all Claims.

3.2.3 Allocation of Investment Income. Any and all earnings, interest, and other investment income realized on the investment of the Trust Assets shall be allocated to each State Trust subaccount on the basis of the respective subaccount balances at the end of each month. Any and all earnings, interest, and other investment income realized on the investment of the assets held in the Trust Administration Cost Subaccount shall be allocated to each administration subaccount on the basis of the respective administration subaccount balance at the end of each month.

3.2.4 Nothing in this Section shall be construed as authorizing the Trustee to cause the State Mitigation Trust to carry on any business or to divide the gains therefrom. The sole purpose of this Section is to authorize the investment of the Trust Assets or any portion thereof as may be reasonably prudent pending use of the proceeds for the purposes of the State Mitigation Trust.

**3.3 Accounting:** The Trustee shall maintain the books and records relating to the Trust Assets and income and the payment of expenses of and liabilities against the State Mitigation Trust. The detail of these books and records and the duration the Trustee shall keep such books and records shall be such as to allow the Trustee to make a full and accurate accounting of all Trust Assets, as well as to comply with applicable provisions of law and standard accounting practices, including Generally Accepted Accounting Principles (“GAAP”). The United States, by and through EPA, and each Beneficiary, shall have the right upon 14 Days’ prior written notice to inspect such books and records, as well as all supporting documentation. Except as otherwise provided herein, the Trustee shall not be required to file any accounting or seek approval of the Court with respect to the administration of the State Mitigation Trust, or as a condition for making any payment or distribution out of the Trust Assets.

3.3.1 Semi-Annual Reporting. Within 180 Days of the Trust Effective Date in the first year, and thereafter by February 15 (for the preceding six-month period of July 1 to December 31) and August 15 (for the preceding six-month period of January 1 to June 30) of each year, and then at least 30 Days prior to the filing of a motion to terminate pursuant to Paragraph 6.8 hereof (each a “Financial Reporting Date”), the Trustee shall file with the Court and provide each Beneficiary and the Defendants with:

3.3.1.1 A statement: (i) confirming the value of the Trust Assets; (ii) itemizing the investments then held by the State Trust (including applicable ratings on such investments); and (iii) including a cumulative and calendar year accounting of the amount the Trustee has paid out from the State Trust Account and all subaccounts to any recipient;

3.3.1.2 For each Beneficiary, cumulative and calendar year accounting, as of the Financial Reporting Date, of: (i) such Beneficiary’s initial allocation of Trust Assets; (ii) any allocation adjustments pursuant to this State Trust Agreement; (iii) line item descriptions of completed disbursements on account of approved Eligible Mitigation Action; and (iv) such Beneficiary’s remaining and projected allocation. Such accounting shall also include, for each Beneficiary, a balance statement and projected annual budget of

disbursements taking into account those Eligible Mitigation Actions that have been approved as of the Financial Reporting Date;

3.3.1.3 For the Trust Administration Cost Subaccount, cumulative and calendar year accounting, as of the Financial Reporting Date, of: (i) line item disbursements of Total Administration Costs; (ii) balance statements; (iii) 3-year projected annual budgets of disbursements on account of Trust Administration Costs; and (iv) line by line accounting of Trust Administration Costs recorded against each Beneficiary's allocation pursuant to subparagraph 2.1.3.1;

3.3.1.4 For the State Trust Account and all subaccounts, including, but not limited to, the Trust Administration Cost Subaccount, balance statements and 3-year projected annual budgets that itemize all assets, income, earnings, expenditures, allocations, and disbursements of Trust Assets by State Trust Account and by each subaccount;

3.3.1.5 Third-party audited financial reports disclosing and certifying the disposition of all Trust Assets from the Trust Effective Date through the calendar quarter immediately preceding the Financial Reporting Date, specifically including reconciliations of the Trustee's prior budget projections for Trust Administration Costs to actual performance;

3.3.1.6 A description of any previously unreported action taken by the State Trust in performance of its duties which, as determined by the Trustee, counsel, accountants, or other professionals retained by the Trustee, affects the State Trust in a materially adverse way;

3.3.1.7 A brief description of all actions taken in accordance with this State Trust Agreement and the Consent Decree during the previous year; and

3.3.1.8 On each Financial Reporting Date, the Trustee shall simultaneously publish on the State Trust's public-facing website all information required to be provided under Paragraph 3.3.

3.3.2 After the Termination Date, the Trustee intends to destroy all records retained pursuant to this State Trust Agreement. The Trustee shall notify the United States and the Defendants at least 90 Days prior to the destruction of the records. Upon request by the United States or the Defendants, the Trustee shall deliver any such records to EPA or the Defendants, respectively.

**3.4 Limitation of the Trustee's Authority:** The Trustee is not authorized to engage in any trade or business with respect to the Trust Assets or proceeds therefrom. This provision does not prevent Wilmington Trust, N.A. from acting as the Investment Manager.

**3.5 Conditions of Trustee's Obligations:** The Trustee accepts appointment as the Trustee subject to the following express terms and conditions:

3.5.1 No Bond. Notwithstanding any state law to the contrary, the Trustee, including any successor Trustee, shall be exempt from giving any bond or other security in any jurisdiction.

3.5.2 Limitation of Liability and Standard of Care for the Trustee. In no event shall the Trustee be held personally liable for any and all Claims asserted against the Trustee and/or State Mitigation Trust except for actions or omissions of the Trustee that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct by the Trustee. The Trustee shall not be held personally liable for carrying out the express terms of this State Mitigation Trust or carrying out any directions from the Beneficiaries or the United States issued in accordance with this State Trust Agreement or in accordance with any Court Order entered in connection with or arising out of the State Mitigation Trust. The Trustee shall not be held personally liable for any failure or delay in the performance of its obligations hereunder arising from causes beyond the control of the Trustee ("Force Majeure"). The Trustee may consult with legal counsel, accounting and financial professionals, environmental professionals, and other professionals, and shall not be personally liable for any action taken or omission made by it in accordance with advice given by such professionals, except in the case of a final, non-appealable judgment of the Court determining fraud, negligence, or willful misconduct on the part of the Trustee in following such advice. The Trustee shall not be held liable for the negligence, fraud, or willful misconduct of any professional hired by it hereunder provided that the Trustee appointed and engaged the professional with due care. In the absence of willful misconduct, negligence, or fraud by the Trustee, as determined by a final, non-appealable judgment of the Court, the Trustee shall not be personally liable to persons seeking payment from or asserting any and all Claims against the State Mitigation Trust or the Trustee. The Trustee, which is a trustee of this State Trust that has been established under the Delaware Act, shall only be held to the standards of care set forth in this subparagraph 3.5.2; the standards of common law trust laws or the personal trust laws of any state shall not apply in any circumstances hereunder.

3.5.2.1 Limitation of Liability for Tax Professionals. In no event shall the Tax Professionals engaged by the Trustee to assist it with the administration of the State Mitigation Trust be held personally liable for any and all Claims asserted against them except for actions or omissions of the Tax Professionals that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct by the Tax Professionals.

3.5.3 Indemnification. Except for actions or omissions of the Trustee, the Investment Manager, and the Tax Professionals that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct, in each separate case, by the Trustee, the Investment Manager, or the Tax Professionals, each of the Trustee, the Investment Manager, and the Tax Professionals hired hereunder are entitled to indemnification from the Trust Assets, solely as provided in this subparagraph 3.5.3, to hold

them harmless against any and all Claims brought against any of them arising out of or in connection with the acceptance or administration of their duties under this State Mitigation Trust, including any and all Claims in connection with enforcing their rights hereunder and defending themselves against any and all Claims. In asserting any indemnification claim against Trust Assets pursuant to this subparagraph 3.5.3, the Trustee, the Investment Manager, and the Tax Professionals shall first seek to recover the amount by asserting a claim against the Trustee's insurance policies purchased pursuant to subparagraph 3.1.2.8 to protect the Trustee, the Investment Manager, and the Tax Professionals hired hereunder against any and all Claims. With respect to any and all amounts that: (1) are not fully and timely paid to the Trustee, the Investment Manager, or the Tax Professionals pursuant to the insurance policies purchased pursuant to subparagraph 3.1.2.8, and (2) are not determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct, in each separate case, by the Trustee or the Investment Manager or the Tax Professionals, each of the Trustee, the Investment Manager, and the Tax Professionals hired hereunder are entitled to indemnification solely from the portion of Trust Assets in (1) the Trust Administration Cost Subaccount established pursuant to subparagraph 2.1.3; and (2) the investment earnings on the Trust Administration Cost Subaccount. Any indemnification amounts shall constitute Shared Administration Costs under subparagraph 2.1.3.1. Indemnification under this subparagraph 3.5.3 covers only the amounts not fully and timely paid or covered by insurance policies purchased pursuant to subparagraph 3.1.2.8. The Trustee, the Investment Manager, and the Tax Professionals shall reimburse the State Mitigation Trust for any amount advanced to them or paid from the Trust Administration Cost Subaccount for any Claim if any proceeds are paid on such Claim from insurance policies purchased pursuant to subparagraph 3.1.2.8. If insurance payments are denied in whole or part, the Trustee shall confer with legal counsel and consider whether to affirmatively pursue such insurance payments including, without limitation, an insurance coverage suit arising out of a wrongful denial of coverage. For the avoidance of doubt, subparagraphs 3.5.2, 3.5.2.1, and 3.5.3 do not create for the State Mitigation Trust, the Trustee, the Investment Manager, and the Tax Professionals hired hereunder any express or implied right to indemnification from any Consent Decree Party for any and all Claims asserted against the Trustee, the State Mitigation Trust, the Investment Manager, or the Tax Professionals, and no Consent Decree Party shall be liable for any and all Claims asserted against the Trustee, the State Mitigation Trust, the Investment Manager, or Tax Professionals.

3.5.4 Reliance on Documentation. The Trustee may rely on, and shall be protected in acting upon, any notice, requisition, request, consent, certificate, order, affidavit, letter, or other paper or document reasonably believed by it to be genuine and to have been signed or sent by the proper person or persons. The Trustee may rely upon, with no further duty of inquiry, and shall be protected in acting upon, the certifications made by and delivered to it by the Beneficiaries, including the Certification for Beneficiary Status under Environmental Mitigation Trust Agreement (Appendix D-3) and each Beneficiary Eligible Mitigation Action Certification form (Appendix D-4). The Trustee shall have no duty to monitor or supervise the use of Trust Funds paid in accordance with Beneficiary Eligible Mitigation Action Certification and Funding Direction forms or any Beneficiary's compliance with an Eligible Mitigation Action.

3.5.5 Right to Demand Documentation. Notwithstanding anything else in this State Trust Agreement, in the administration of the Trust Assets, the Trustee shall have the right, but shall not be required, to demand from the relevant Beneficiary before the disbursement of any cash or in respect of any action whatsoever within the purview of this State Mitigation Trust, any showings, certificates, opinions, appraisals, or other information, or action or evidence thereof, in addition to that required by the terms hereof that the Trustee reasonably believes to be necessary or desirable.

3.5.6 Limitation on Consequential Damages. Unless the Trustee, the Investment Manager, or the Tax Professionals are determined in a final, non-appealable judgment of the Court to have engaged in fraudulent or willful misconduct, the United States or any Beneficiary of the State Mitigation Trust shall not have any right to recover, and the State Mitigation Trust, the Trustee, the Investment Manager, or the Tax Professionals shall not be liable for, any special, indirect, punitive, or consequential loss or damages, of any kind whatsoever, against the State Mitigation Trust, the Trustee, the Investment Manager, or the Tax Professionals. When the Trustee, the Investment Manager, or the Tax Professionals are determined in a final, non-appealable judgment of the Court to have been negligent, any and all Claims by the United States or any Beneficiary of the State Mitigation Trust shall be limited to direct damages.

3.5.7 No Consequential Damages. In no event shall the Trustee, the Investment Manager, the Tax Professionals, or the State Mitigation Trust be held responsible or liable for special, indirect, punitive, or consequential loss or damages of any kind whatsoever in connection with any and all Claims brought against them by any third party.

**3.6 Payment of Trust Administration Costs:** Subject to the limits set forth in Appendix D-1 and Appendix D-1A, the State Mitigation Trust shall pay from the Trust Administration Cost Subaccount its own reasonable and necessary costs and expenses, and shall reimburse the Trustee for the actual reasonable out-of-pocket fees, costs, and expenses to the extent incurred by the Trustee in connection with the administration of the State Trust, including payment of professionals hired in connection with the duties and responsibilities of the State Trust, payment of insurance premiums for policies purchased pursuant to subparagraph 3.1.2.8, payment of a deductible incurred under an insurance policy for the State Trust, Trustee, Investment Manager, or Tax Professionals hired hereunder purchased pursuant to subparagraph 3.1.2.8 in cases in which the State Trust, Trustee, Investment Manager, or Tax Professionals would be entitled to indemnification under subparagraph 3.5.3, and any indemnification amounts as provided in accordance with subparagraph 3.5.3. The Trustee also shall be entitled to receive reasonable compensation for services rendered on behalf of the State Mitigation Trust, in accordance with the projected annual budgets for administration of the State Mitigation Trust required under subparagraph 3.3.1 hereof, and shall be entitled to pay itself from the Trust Administration Cost Subaccount its initial fee and its annual administration fee as set forth in its fee letter dated as of the Trust Effective Date (“Trustee Fee Letter”). The Trustee shall provide a copy of the Trustee Fee Letter to each Beneficiary via the secure internet site established by the Trustee pursuant to subparagraph 3.1.2.3. The State Mitigation Trust shall pay from the Trust Administration Cost Subaccount 98% of Start-up Costs and 98% of Shared State and Indian Tribe Administration Costs, which shall be allocated

to each Trust Administration Cost Subaccount consistent with the weighted average allocation rates set forth in Appendix D-1B. Notwithstanding the foregoing, the total amount of allowable Trust Administration Costs shall not exceed the specific allocation established for the Trust Administration Cost Subaccount in Appendix D-1 and Appendix D-1A, plus any and all earnings, interest, and other investment income realized on the investment of the assets held in the Trust Administration Cost Subaccount. The Trustee shall not use the Trust Administration Cost Subaccount to pay: (1) the fees and expenses of the Investment Manager; or (2) any and all Taxes due and owing with respect to the State Trust. In accordance with the terms of the Investment Management Agreement, the Investment Manager's fees and expenses shall be deducted directly from the investment earnings on the Trust Assets, and not from the corpus of the Trust Assets. All Taxes shall be paid from amounts on deposit in the Tax Payment Subaccount established in subparagraph 2.1.5. The Trustee shall include in its semi-annual reporting, and post on its public-facing website, all Trust Administration Costs (including the costs and descriptions of the Trustee's services rendered on behalf of the State Trust) at least 15 Days prior to the payment of any such expense; provided, however, that the requirement to post all Trust Administrative Costs at least 15 Days prior to payment shall first take effect when the website is established and ready for use, and shall not initially apply to Start-up Costs and to Shared State and Indian Tribe Administration Costs. After the Trust Administration Cost Subaccount is funded pursuant to subparagraph 2.1.3, the Trustee, after receipt of invoices from any third party service providers, shall pay as promptly as practical any and all fees, costs, and expenses incurred by the Trustee to establish the State Mitigation Trust including, but not limited to: (1) the invoices of third party service providers (e.g., legal, accounting, website developer, and hosting provider); (2) fees, costs, and expenses necessary to commence the operations of the State Trust (e.g., Intralinks, Pacer, and insurance premiums); and (3) the Trustee's acceptance fee and first quarter portion of the Trustee's annual fee for the first year. All Trust Administration Costs that are paid prior to the establishment of the website shall be posted on the website as promptly as practicable after the website is established. Such information shall remain available on the website until the Termination Date.

### **3.7 Termination, Resignation, and Removal of the Trustee**

3.7.1 Termination of Trustee. The rights, powers, duties, and obligations of the Trustee to the State Mitigation Trust and the Beneficiaries will terminate on the Termination Date.

3.7.2 Resignation of Trustee and Successor Trustee. The Trustee may commence the resignation process at any time by providing 90 Days' notice to the United States, the Defendants, and the Beneficiaries. Resignation of the Trustee shall only be effective upon: (i) selection of a successor pursuant to the procedures set forth in the First Partial Consent Decree; and (ii) order of the Court. The successor trustee shall have the same powers and duties as those conferred upon the Trustee hereunder. Upon the appointment of a successor trustee or as otherwise ordered by the Court, the Trustee shall transfer all State Trust records to the successor trustee, and shall take all actions necessary to assign, transfer, and pay over to the successor trustee control of all Trust Assets (including the public website maintained by the Trustee). In the event that the Trustee ceases to exist or ceases to operate its corporate trust business, the Court may, upon motion by the United States or any Beneficiary, appoint an interim Trustee until such time as a successor trustee is appointed in

accordance with the procedures set forth in the First Partial Consent Decree. Any successor Trustee appointed hereunder shall file an amendment to the Certificate of Trust as required by the Delaware Act.

#### IV. STATE MITIGATION TRUST BENEFICIARIES

**4.0 Determination of Beneficiary Status:** The States, Puerto Rico, and the District of Columbia may elect to become a Beneficiary hereunder by filing with the Court a Certification for Beneficiary Status under Environmental Mitigation Trust Agreement (Appendix D-3), containing each of the certifications required by subparagraphs 4.2.1 through 4.2.9, not later than 60 Days after the Trust Effective Date. At the time of filing the Certification Form with the Court, the States, Puerto Rico, and the District of Columbia shall also provide a copy of the Certification Form to the Trustee in electronic format and by mail pursuant to Paragraph 6.0 and subparagraph 6.0.1. Each governmental entity that timely files such certifications shall be a “Certifying Entity.” Each governmental entity that fails to timely file such certifications shall be an “Excluded Entity,” and shall be permanently enjoined from asserting any rights with respect to Trust Assets or any other matter relating to the implementation of this Trust. The Trustee shall be responsible for ensuring that the form of each certification complies with the requirements hereof prior to deeming any Certifying Entity to be a Beneficiary hereunder.

4.0.1 Notice of Objection. If the United States determines that a certification filed by any Certifying Entity fails to comply with the requirements of this Section, the United States may file with the Court a notice of objection within 30 Days after a Certifying Entity files its certifications with the Court. Such notice shall explain the basis of objection with specificity. Any such objections shall be resolved according to the procedures set forth in Paragraph 6.2.

4.0.2 Notice of Beneficiary Designation. Not later than 120 Days after the Trust Effective Date, the Trustee shall file with the Court, publish on its public-facing website, and serve on each Consent Decree Party and Certifying Entity lists indicating:

4.0.2.1 Which Certifying Entities filed certifications as to which no notice of objection has been filed. Upon the filing of this Notice of Beneficiary Designation, each such Certifying Entity shall be deemed a “Beneficiary” hereunder;

4.0.2.2 Which governmental entity did not timely file the certifications pursuant to Paragraph 4.0. Each such governmental entity shall be deemed an “Excluded Entity” hereunder; and

4.0.2.3 Which Certifying Entities timely filed certifications as to which a notice of objection has been filed pursuant to subparagraph 4.0.1, together with an explanation of the status of any such objection. Each such Certifying Entity shall be a “Pending Beneficiary.” Upon final resolution of each objection, the Pending Beneficiary shall either be deemed a Beneficiary or an Excluded Entity hereunder.

**4.1 Beneficiary Mitigation Plan:** After being deemed a Beneficiary pursuant to subparagraph 4.0.2.1 hereof, each Beneficiary, not later than 30 Days prior to submitting its first funding request pursuant to Paragraph 5.2, shall submit and make publicly available a “Beneficiary Mitigation Plan” that summarizes how the Beneficiary plans to use the mitigation funds allocated to it under this Trust, addressing: (i) the Beneficiary’s overall goal for the use of the funds; (ii) the categories of Eligible Mitigation Actions the Beneficiary anticipates will be appropriate to achieve the stated goals and the preliminary assessment of the percentages of funds anticipated to be used for each type of Eligible Mitigation Action; (iii) a description of how the Beneficiary will consider the potential beneficial impact of the selected Eligible Mitigation Actions on air quality in areas that bear a disproportionate share of the air pollution burden within its jurisdiction; and (iv) a general description of the expected ranges of emission benefits the Beneficiary estimates would be realized by implementation of the Eligible Mitigation Actions identified in the Beneficiary Mitigation Plan. The Beneficiary Mitigation Plan need only provide the level of detail reasonably ascertainable at the time of submission. This Plan is intended to provide the public with insight into a Beneficiary’s high-level vision for use of the mitigation funds and information about the specific uses for which funding is expected to be requested. Nothing in this provision is intended to make the Beneficiary Mitigation Plan binding on any Beneficiary, nor does it create any rights in any person to claim an entitlement of any kind. Beneficiaries may adjust their goals and specific spending plans at their discretion and, if they do so, shall provide the Trustee with updates to their Beneficiary Mitigation Plan. The Trustee has no duty to monitor or supervise any Beneficiary’s compliance with its Beneficiary Mitigation Plan. To the extent a Beneficiary intends to avail itself of the DERA Option described in Appendix D-2, that Beneficiary may use its Final Approved DERA Workplan as its Beneficiary Mitigation Plan as to those Eligible Mitigation Actions funded through the DERA Option. The Beneficiary Mitigation Plan shall explain the process by which the Beneficiary shall seek and consider public input on its Beneficiary Mitigation Plan.

#### **4.2 Required Certifications in Appendix D-3**

4.2.1 Identification of Lead Agency and Submission to Jurisdiction. Each Certification Form (Appendix D-3) must include a designation of lead agency, certified by the Office of the Governor (or if not a state, the analogous chief executive) of the State, Puerto Rico, or the District of Columbia on whose behalf the Certification Form is submitted, indicating which agency, department, office, or division will have the delegated authority to act on behalf of and legally bind such governmental entity. The Certification Form shall also include confirmation by the Certifying Entity that: (i) it has the authority to sign the Certification Form; and (ii) it agrees, without limitation, to be bound by the terms of this State Trust Agreement, including the allocations of Trust Assets provided hereunder, and to be subject to the jurisdiction of the Court for all matters concerning the interpretation or performance of, or any disputes arising under, this State Trust Agreement. The Certifying Entity’s agreement to federal jurisdiction for this purpose shall not be construed as consent to federal court jurisdiction for any other purpose.

4.2.2 Consent to Trustee Authority. Each Certification Form (Appendix D-3) must include an agreement by the Certifying Entity that the Trustee has the authorities specified in this State Trust Agreement, including, but not limited to, the authority: (i) to approve,

deny, request modifications, or request further information related to any request for funds hereunder; and (ii) to implement this State Trust Agreement in accordance with its terms.

4.2.3 Certification of Legal Authority. Each Certification Form (Appendix D-3) must certify that: (i) the laws of the Certifying Entity do not prohibit it from being a Beneficiary hereunder; (ii) prior to requesting any funds hereunder, the Certifying Entity shall obtain full legal authority to receive and/or direct payments of such funds; and (iii) if the Certifying Entity fails to demonstrate that it has obtained such legal authority within two years of submitting its Certification Form, it shall become an Excluded Entity hereunder and its initial allocation shall be redistributed among the Beneficiaries pursuant to subparagraph 5.0.1.

4.2.4 Certification of Legal Compliance. Each Certification Form (Appendix D-3) must include a certification and agreement that, in connection with all actions related to this State Trust, the Certifying Entity has followed and will follow all applicable law and that such Certifying Entity will assume full responsibility for its decisions in that regard.

4.2.5 Certification of Eligible Mitigation Action Accounts. Each Certification Form (Appendix D-3) shall include a certification by the Certifying Entity that all funds received on account of any Eligible Mitigation Action request that are not used for the Eligible Mitigation Action shall be returned to the Trustee for credit to the allocation of such Certifying Entity.

4.2.6 Waiver of Claims for Injunctive Relief under Environmental or Common Laws. Each Certification Form (Appendix D-3) shall include an express waiver by the Certifying Entity, on behalf of itself and all of its agencies, departments, offices, and divisions, in favor of the parties to the Consent Decree (including the Defendants) of all claims for injunctive relief to redress environmental injury caused by the Subject Vehicles, whether based on the environmental or common law within its jurisdiction. Such waiver shall be binding on all agencies, departments, offices, and divisions of such Beneficiary asserting, purporting to assert, or capable of asserting such claims. The waiver need not waive, and the Certifying Entities may expressly reserve, their rights, if any, to seek fines or penalties. California's entry in the Consent Decree shall satisfy its certification obligations under this subparagraph.

4.2.7 Publicly Available Information. Each Certification Form (Appendix D-3) must include a certification by the Certifying Entity that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Certifying Entity, each until the Termination Date, unless the laws of the Certifying Entity require a longer record retention period. This certification shall include an explanation of the procedures by which the records may be accessed, which procedures shall be designed to support access and limit the burden for the general public, and for the Beneficiary Mitigation Plan required under Paragraph 4.1, the procedures by which public input will be solicited and considered. This certification can be made subject to applicable laws governing the publication of confidential business information and personally identifiable information.

4.2.8 Notice of Availability of Mitigation Action Funds. Each Certification Form (Appendix D-3) must certify that, not later than 30 Days after being deemed a Beneficiary pursuant to subparagraph 4.0.2.1 hereof, the Certifying Entity will provide a copy of this State Trust Agreement with Attachments to the U.S. Department of the Interior, the U.S. Department of Agriculture, and any other Federal Agency that has custody, control, or management of land within or contiguous to the territorial boundaries of the Certifying Entity and has by then notified the Certifying Entity of its interest hereunder, explaining that the Certifying Entity may request Eligible Mitigation Action funds for use on lands within that Federal Agency's custody, control, or management (including, but not limited to, Clean Air Act Class I and II areas), and setting forth the procedures by which the Certifying Entity will review, consider, and make a written determination upon each such request. For the U.S. Department of the Interior and the U.S. Department of Agriculture, Beneficiaries may provide notice as required by this subparagraph to the following:

4.2.9 Registration of Subject Vehicles. Each Certification Form (Appendix D-3) must state, for the benefit of the parties to the Consent Decree (including the Defendants) and the owners from time-to-time of Subject Vehicles, that the Certifying Entity:

- (a) Shall not deny registration to any Subject Vehicle based solely on:
  - i. The presence of a defeat device or AECD covered by the resolution of claims in the Consent Decree; or
  - ii. Emissions resulting from such a defeat device or AECD; or
  - iii. The availability of an Approved Emissions Modification, an Emissions Compliant Recall, or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (b) Shall not deny registration to any Subject Vehicle that has been modified in accordance with an Approved Emissions Modification or Emissions Compliant Recall based solely on:
  - i. The fact that the vehicle has been modified in accordance with the Approved Emissions Modification or the Emissions Compliant Recall; or
  - ii. Emissions resulting from the modification (including, but not limited to, the anticipated emissions described in Appendix B to the First Partial Consent Decree and Appendix B to the Second Partial Consent Decree); or
  - iii. Other emissions-related vehicle characteristics that result from the modification; or
  - iv. The availability of an Approved Emissions Modification, an Emissions Compliant Recall, or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (c) May identify Subject Vehicles as having been modified, or not modified, in accordance with the Approved Emissions Modification or the Emissions Compliant Recall on the basis of VIN-specific information provided to the Certifying Entity by the Defendants.
- (d) Notwithstanding the foregoing, a Certifying Entity may deny registration to any Subject Vehicle on the basis that the Subject Vehicle fails to meet EPA's or the Certifying Entity's failure criteria for the onboard diagnostic ("OBD") inspection; or on other grounds authorized or required under applicable federal regulations (including an approved State Implementation Plan) or under Section 209 or 177 of the Clean Air Act, 42 U.S.C. §§ 7543, 7507, and not explicitly excluded in subparagraphs 4.2.9(a)-(b).

## V. DISTRIBUTION OF STATE MITIGATION TRUST ASSETS

**5.0 Initial Allocation:** Each State, Puerto Rico, and the District of Columbia shall have the right under this State Trust Agreement, upon becoming a Beneficiary pursuant to Section IV (State Mitigation Trust Beneficiaries), to request its share of Eligible Mitigation Action funds in

accordance with the weighted average allocation rates set forth in Appendix D-1B (“Initial Allocation Rates”).

5.0.1 Together with the Notice of Beneficiary Designation required to be filed pursuant to subparagraph 4.0.2, the Trustee shall also file with the Court and serve upon each Consent Decree Party, Beneficiary, and Pending Beneficiary, a corresponding recalculation of the Initial Allocation Rates to reallocate each Excluded Entity’s share among the Beneficiaries and Pending Beneficiaries of this State Mitigation Trust, in accordance with the weighted average allocation rates set forth in Appendix D-1B, but excluding the Excluded Entities, the Tribal Trust Allocation, and the Tribal Administration Cost Subaccount (“Final Allocation Rates”). If any Pending Beneficiary is deemed an Excluded Entity hereunder, its share shall be reallocated among the Beneficiaries and remaining Pending Beneficiaries, weighted in accordance with the Final Allocation Rates. The Trustee shall file with the Court and serve upon each Consent Decree Party, Beneficiary, and Pending Beneficiary a notice of reallocation in the event that the Final Allocation Rates are adjusted in accordance with this State Trust Agreement.

5.0.2 Upon being deemed a Beneficiary pursuant to subparagraph 4.0.2.1 hereof, each Beneficiary shall have the right under this State Trust Agreement to request Eligible Mitigation Action funds up to the total dollar amount allocated to it. Provided, however, that no Beneficiary may request payout of more than: (i) one-third of its allocation during the first year after the Settling Defendants make the Initial Deposit, or (ii) two-thirds of its allocation during the first two years after the Settling Defendants make the Initial Deposit.

5.0.3 Allocation of Appendix A Mitigation Trust Payments. Ninety-Seven and Ninety-Seven/One Hundredths (97.97) percent of any “National Mitigation Trust Payment” made pursuant to Section VI (Recall Rate) of Appendix A (Buyback, Lease Termination, and Vehicle Modification Recall Program) of the First Partial Consent Decree or Section X (Recall Rate) of Appendix A (Buyback, Lease Termination, Vehicle Modification, and Emissions Compliant Recall Program) of the Second Partial Consent Decree shall be allocated among all Beneficiaries (other than California) of this State Mitigation Trust and the Trust Administration Cost Subaccount, in accordance with the weighted average allocation percentages in Appendix D-1C. Any “California Mitigation Trust Payment” made pursuant to Appendix A of the First Partial Consent Decree or the Second Partial Consent Decree shall be allocated as follows: 99.86% to California and 0.14% to the Trust Administration Cost Subaccount.

5.0.4 Allocation of Appendix B Mitigation Trust Payments. Ninety-Seven and Ninety-Seven/One Hundredths (97.97) percent of any Mitigation Trust Payments made pursuant to Appendix B (Vehicle Recall and Emissions Modification Program) of the First Partial Consent Decree or Appendix B (Vehicle Recall and Emissions Modification Program for 3.0 Liter Subject Vehicles) of the Second Partial Consent Decree or any Consent Decree provisions related thereto shall be allocated among all Beneficiaries of this State Mitigation Trust and to the Trust Administration Cost Subaccount, weighted in accordance with the Final Allocation Rates.

**5.1 Eligible Mitigation Actions and Expenditures:** The Trustee may only disburse funds for Eligible Mitigation Actions, and for the Eligible Mitigation Action Administrative Expenditures specified in Appendix D-2.

**5.2 Funding Requests:** Beneficiaries may submit requests for Eligible Mitigation Action funding at any time by filing with the Trustee a Beneficiary Eligible Mitigation Action Certification form (Appendix D-4), containing each of the certifications required by subparagraphs 5.2.1 through 5.2.13, as applicable. Each request for Eligible Mitigation Action funding must be submitted to the Trustee in electronic and hard-copy format, and include:

5.2.1 An explanation of how the funding request fits into the Beneficiary's Mitigation Plan;

5.2.2 A detailed description of the proposed Eligible Mitigation Action, including its community and air quality benefits;

5.2.3 An estimate of the NOx reductions anticipated as a result of the proposed Eligible Mitigation Action;

5.2.4 A project management plan for the proposed Eligible Mitigation Action, including a detailed budget and an implementation and expenditure timeline;

5.2.5 A certification that all vendors were or will be selected in accordance with state public contracting laws;

5.2.6 For each proposed expenditure exceeding \$25,000, detailed cost estimates from selected or potential vendors;

5.2.7 A detailed description of how the Beneficiary will oversee the proposed Eligible Mitigation Action, including, but not limited to:

5.2.7.1 Identification of the specific governmental entity responsible for reviewing and auditing expenditures of Eligible Mitigation Action funds to ensure compliance with applicable law; and

5.2.7.2 A commitment by the Beneficiary to maintain and make publicly available all documentation submitted in support of the funding request and all records supporting all expenditures of Eligible Mitigation Action funds, subject to applicable laws governing the publication of confidential business information and personally identifiable information, together with an explanation of the procedures by which the Beneficiary shall make such documentation publicly available;

5.2.8 A description of any cost share requirement to be placed upon the owner of each NOx source proposed to be mitigated;

5.2.9 A description of how the Beneficiary complied with subparagraph 4.2.8;

5.2.10 If applicable, a description of how the Eligible Mitigation Action mitigates the impacts of NOx emissions on communities that have historically borne a disproportionate share of the adverse impacts of such emissions; and

5.2.11 A detailed plan for reporting on Eligible Mitigation Action implementation.

5.2.12 DERA Option. To the extent a Beneficiary intends to avail itself of the DERA Option described in Appendix D-2, that Beneficiary may use its DERA proposal as support for its funding request for those Eligible Mitigation Actions funded through the DERA Option.

5.2.13 Joint Application. Two or more Beneficiaries may submit a joint request for Eligible Mitigation Action funds. Joint applicants shall specify the amount of requested funding that shall be debited against each requesting Beneficiary's allocation.

5.2.14 Publication of Funding Requests. The Trustee shall post each funding request on the State Trust's public-facing website upon receipt.

5.2.15 Reliance on Form. The Trustee may rely on, with no further duty of inquiry, and shall be protected in acting upon, any Beneficiary Eligible Mitigation Action

Certification form (Appendix D-4) reasonably believed by it to be genuine and to have been signed or sent by the proper person or persons.

5.2.16 Approval of Funding Requests. The Trustee shall approve any funding request that meets the requirements of this State Trust Agreement and its Appendices. If a Beneficiary submits multiple pending Eligible Mitigation Action funding requests that exceed the allocated funds available to the Beneficiary, the Trustee shall contact the Beneficiary for direction regarding the allocation and timing of payments for each such request. Within 60 Days after receipt of each Eligible Mitigation Action funding request, the Trustee shall transmit to the requesting Beneficiary and post on the State Trust's public-facing website a written determination either: (i) approving the request; (ii) denying the request; (iii) requesting modifications to the request; or (iv) requesting further information. A Beneficiary may use such written determination as proof of funding for any DERA project application that includes Trust Funds as a non-federal voluntary match, as described in Appendix D-2. The Trustee shall respond to any modified or supplemental submission within 30 Days of receipt. Each written determination approving or denying an Eligible Mitigation Action funding request shall include an explanation of the reasons underlying the determination, including whether the proposed Eligible Mitigation Action meets the requirements set forth in Appendix D-2 or Appendix D-4. The Trustee's decision to approve, deny, request modifications, or request further information related to a request shall be reviewable, upon petition of the United States or the submitting Beneficiary, by the Court.

5.2.16.1 Disbursement of Funds. The Trustee shall begin disbursing funds within 15 Days of approval of an Eligible Mitigation Action funding request according to the written instructions and schedule provided by the Beneficiary, unless such date is not a Business Day and then the payment shall be made on the next succeeding Business Day.

5.2.17 Unused Eligible Mitigation Action Funds. Upon the termination or completion of any Eligible Mitigation Action, any unused Eligible Mitigation Action funds shall be returned to the State Trust and added back to the Beneficiary's allocation.

**5.3 Beneficiary Reporting Obligations:** For each Eligible Mitigation Action, no later than six months after receiving its first disbursement of Trust Assets, and thereafter no later than January 30 (for the preceding six-month period of July 1 to December 31) and July 30 (for the preceding six-month period of January 1 to June 30) of each year, each Beneficiary shall submit to the Trustee a semiannual report describing the progress implementing each Eligible Mitigation Action during the six-month period leading up to the reporting date (including a summary of all costs expended on the Eligible Mitigation Action through the reporting date). Such reports shall include a complete description of the status (including actual or projected termination date), development, implementation, and any modification of each approved Eligible Mitigation Action. Beneficiaries may group multiple Eligible Mitigation Actions and multiple sub-beneficiaries into a single report. These reports shall be signed by an official with the authority to submit the report for the Beneficiary and must contain an attestation that the information is true and correct and that the submission is made under penalty of perjury. To the extent a Beneficiary avails itself of the DERA

Option described in Appendix D-2, that Beneficiary may submit its DERA Quarterly Programmatic Reports in satisfaction of its obligations under this Paragraph as to those Eligible Mitigation Actions funded through the DERA Option. The Trustee shall post each semiannual report on the State Trust's public-facing website upon receipt.

#### **5.4 Supplemental Funding for Eligible Beneficiaries and Final Disposition of Trust Assets**

5.4.1 Estimate of Remainder Balance. On the tenth anniversary of the Trust Effective Date, the Trustee shall file with the Court, deliver to the United States, by and through EPA, and to each Beneficiary, and publish on its public-facing website, an accounting of all Trust Assets that have not by that date been expended on or obligated to approved Eligible Mitigation Actions or prior Trust Administration Costs, together with an estimate of funding reasonably needed to cover the remaining Trust Administration Costs. The difference between these two amounts shall be referred to as the "Remainder Balance."

5.4.2 Application for Supplemental Funding Eligible Beneficiary Status. On the tenth anniversary of the Trust Effective Date, each Beneficiary may seek to supplement its remaining allocation by filing with the Court and delivering to the Trustee a written report demonstrating that it has by that date obligated at least eighty percent (80%) of the funds allocated to it pursuant to the Final Allocation Rates calculated pursuant to subparagraph 5.0.1 (as determined with specific reference to the reports submitted pursuant to Paragraph 5.3).

5.4.3 Publication of Remainder Balance and Supplemental Funding Eligible Beneficiary Status. Within 90 Days after the tenth anniversary of the Trust Effective Date, the Trustee shall file with the Court, notify the United States, by and through EPA, and each Beneficiary, and publish on its website, a report indicating: (i) the Remainder Balance; and (ii) which of the Beneficiaries has demonstrated that it had in fact expended at least 80% of the funds allocated to it pursuant to the Final Allocation Rates calculated pursuant to subparagraph 5.0.1, each of which shall be deemed a "Supplemental Funding Eligible Beneficiary."

5.4.4 Distribution of Remainder Balance to Supplemental Funding Eligible Beneficiaries. On the later of: (i) 180 Days after the tenth anniversary of the Trust Effective Date, or (ii) the resolution of any disputes arising from the Trustee's accountings or determinations pursuant to subparagraphs 5.4.1 or 5.4.3, the Remainder Balance shall be divided among the Supplemental Funding Eligible Beneficiaries in accordance with their weighted share of the Final Allocation Rates.

5.4.5 Final Disposition of State Trust Assets. Not later than the fifteenth anniversary of the Trust Effective Date, any unused funds held by any Beneficiary shall be returned to the State Trust. After the fifteenth anniversary of the Trust Effective Date, any Trust Assets held in the State Trust Account or any subaccount (including, but not limited to, the Trust Administration Cost Subaccount) that are not needed for final Trust Administration Costs shall be deemed to have been donated by the State Trust to fund

Eligible Mitigation Actions administered by Federal Agencies that have custody, control, or management of land in the United States that is impacted by excess NOx emissions (including, but not limited to, Clean Air Act Class I and II areas) and that have the legal authority to accept such funds, in accordance with instructions to be provided by the United States. If no such Federal Agencies exist, the United States will file a motion, with notice to the Defendants and the Beneficiaries, requesting the Court to order that any Trust Assets held in the State Trust Account (or any subaccount thereof) be distributed either to a governmental unit or to another trust, the income of which is excluded from gross income under the provisions of Internal Revenue Code Section 115, 26 U.S.C. § 115.

## VI. MISCELLANEOUS PROVISIONS

**6.0 Correspondence with State Trust:** In accordance with subparagraph 3.1.2.3, the Trustee shall establish and maintain a secure method of internet-based communications for the use of the Trustee and the Beneficiaries that will: (1) enable each Beneficiary to deliver the required documentation under this State Trust Agreement in an electronic format; (2) enable secure communications between the Trustee and each Beneficiary; and (3) provide each Beneficiary with access to its own document base. In addition, each Beneficiary will have the ability to view its own balance in its individual subaccount via the Wilmington Trust Online Portfolio product or a similar product then in use.

**6.1 Jurisdiction:** The U.S. District Court for the Northern District of California shall be the sole and exclusive forum for the purposes of enforcing this State Mitigation Trust and resolving disputes hereunder, including the obligations of the Trustee to perform its obligations hereunder,

and each of the Consent Decree Parties, the State Mitigation Trust, the Trustee, and each Beneficiary, expressly consents to such jurisdiction.

**6.2 Dispute Resolution:** Unless otherwise expressly provided for herein, the dispute resolution procedures of this Paragraph shall be the exclusive mechanism to resolve any dispute between or among the entities listed in Appendix D-1 and Appendix D-1A hereto, the Consent Decree Parties, and the Trustee arising under or with respect to this State Trust Agreement.

6.2.1 Informal Dispute Resolution. Any dispute subject to Dispute Resolution under this State Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when the disputing party sends to the counterparty a written Notice of Dispute. Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed 30 Days from the date the dispute arises, unless that period is modified by written agreement. If the disputing parties cannot resolve the dispute by informal negotiations, then the disputing party may invoke formal dispute resolution procedures as set forth below.

6.2.2 Formal Dispute Resolution. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by serving on the counterparty a written Statement of Position regarding the matter in dispute. The Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. The counterparty shall serve its Statement of Position within 30 Days of receipt of the disputing party's Statement of Position, which shall also include, but need not be limited to, any factual data, analysis, or opinion supporting the counterparty's position and any supporting documentation and legal authorities relied upon by the counterparty. If the disputing parties are unable to consensually resolve the dispute within 30 Days after the counterparty serves its Statement of Position on the disputing party, the disputing party may file with the Court a motion for judicial review of the dispute in accordance with the following subparagraph.

6.2.3 Judicial Review. The disputing party may seek judicial review of the dispute by filing with the Court and serving on the counterparty and the United States, a motion requesting judicial resolution of the dispute. The motion must be filed within 45 Days of receipt of the counterparty's Statement of Position pursuant to the preceding subparagraph. The motion shall contain a written statement of disputing party's position on the matter in dispute, including any supporting factual data, analysis, opinion, documentation, and legal authorities, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the State Trust. The counterparty shall respond to the motion within the time period allowed by the Local Rules of the Court, and the disputing party may file a reply memorandum, to the extent permitted by the Local Rules.

**6.3 Choice of Law:** The validity, interpretation, and performance of this State Mitigation Trust shall be governed by the laws of the State of Delaware and the United States, without giving effect to the rules governing the conflicts of law that would require the application of

the law of another jurisdiction. The duties, rights, protections, and immunities of the Trustee, as a trustee of a statutory trust under the Delaware Act, shall be governed by the laws of the State of Delaware and the United States, without giving effect to the rules governing the conflicts of law that would require the application of the law of another jurisdiction. This State Trust Agreement shall not be subject to any provisions of the Uniform Trust Code as adopted by any State, now or in the future. This State Trust Agreement shall be interpreted in a manner that is consistent with the Consent Decree, provided, however, that in the event of a conflict between the Consent Decree and this State Trust Agreement, this State Trust Agreement shall control.

**6.4 Waiver of Jury Trial:** Each party hereto and each Beneficiary hereof hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this State Trust.

**6.5 Modification:** Material modifications to the State Mitigation Trust or Appendix D-2 (Eligible Mitigation Actions and Mitigation Action Expenditures) may be made only with the written consent of the United States and upon order of the Court, and only to the extent that such modification does not change or inhibit the purpose of this State Mitigation Trust. Any modification of this State Mitigation Trust that affects the rights, powers, duties, obligations, liabilities, or indemnities of the Trustee requires the written consent of the Trustee. Minor modifications or clarifying amendments to the State Mitigation Trust, Appendix D-2 (Eligible Mitigation Actions and Mitigation Action Expenditures) or Appendix D-4 (Beneficiary Eligible Mitigation Action Certification) may be made upon written agreement between the United States and the Trustee, as necessary to enable the Trustee to effectuate the provisions of this State Mitigation Trust, and shall be filed with the Court. To the extent the consent of the Defendants is required to effectuate the modification or amendment, such consent shall not be unreasonably withheld. Notwithstanding the foregoing sentence, without the express written consent of the Defendants, no modification shall: (i) require the Defendants to make any payments to the State Trust other than the Mitigation Trust Payments required by the Consent Decree; or (ii) impose any greater obligation on Defendants than those set forth in the State Trust Agreement that is being modified. The Trustee shall provide to the Beneficiaries not less than 30 Days' notice of any proposed modification to the State Mitigation Trust, whether material or minor, before such modification shall become effective.

**6.6 Severability:** If any provision of this State Trust Agreement or application thereof to any person or circumstance shall be finally determined by the Court to be invalid or unenforceable to any extent, the remainder of this State Trust Agreement, or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and such provision of this State Trust Agreement shall be valid and enforced to the fullest extent permitted by law.

**6.7 Taxes:** The State Trust is intended to be a qualified settlement fund ("QSF") pursuant to Section 468B of the Internal Revenue Code, 26 U.S.C. § 468B, and related Treasury Regulations. The Trustee is intended to be the State Trust's "administrator," within the meaning of Treasury Regulation Section 1.468B-2(k)(3), 26 C.F.R. § 1.468B-2(k)(3). The Trustee shall use its best efforts to submit, within six months after the Trust Effective Date, an application and all necessary supporting documentation to the IRS to obtain a Private Letter Ruling from the IRS:

(1) that the State Mitigation Trust will be treated as a Qualified Settlement Fund under 26 C.F.R. § 1.468B-1; (2) that all investment income earned on the Trust Assets will be excludible from gross income under Section 115 of the Internal Revenue Code, 26 U.S.C. § 115; and (3) on any federal tax matter that the Tax Professionals reasonably believe is necessary to support the rulings in (1) and (2) or otherwise prudent to clarify an uncertain application of federal tax law to the State Mitigation Trust. Within ten Days after any application has been made to the IRS, the Trustee shall provide a copy of the application and accompanying documentation to the United States (pursuant to subparagraph 6.0.1) and to the Beneficiaries (pursuant to the secure internet-based communication in Paragraph 6.0). Within seven Days after receipt of any IRS Private Letter Ruling, the Trustee shall provide a copy to the United States (pursuant to subparagraph 6.0.1) and the Beneficiaries (pursuant to the secure internet-based communication established in Paragraph 6.0). If the IRS determines that the investment income earned on Trust Assets is taxable, the Trustee, the Investment Manager, the United States, and the State Beneficiaries shall meet and confer to discuss possible resolutions to this issue, and may seek a modification of this State Trust Agreement as appropriate pursuant to Paragraph 6.5. The Trustee shall be responsible for filing all required Tax Returns, ensuring compliance with income tax withholding and reporting requirements, and paying applicable Taxes with respect to the State Trust in a manner consistent with Section 468B of the Internal Revenue Code, 26 U.S.C. § 468B, and related Treasury Regulations. All Taxes shall be paid from amounts on deposit in the Tax Payment Subaccount established pursuant to subparagraph 2.1.5. The Defendants shall provide to the Trustee and the IRS the statement described in Treasury Regulation Section 1.468B-3(e)(2), 26 C.F.R. § 1.468B-3(e)(2), no later than February 15th of the year following each calendar year in which the Settling Defendants make a transfer to the State Trust.

**6.8 Termination:** After all funds have been expended pursuant to subparagraph 5.4.5, final reports have been delivered pursuant to Paragraph 3.3 and subparagraph 3.3.1, and notice regarding retained documents has been provided pursuant to subparagraph 3.3.2, the Trustee may file a motion with the Court requesting an order to begin the process under the Delaware Act to terminate this State Trust. The United States and the Beneficiaries shall be given not less than 60 Days to oppose such motion. After the Court approves the motion to terminate, the Trustee shall begin the dissolution and winding up processes under the Delaware Act. On the date that the Trustee completes all the statutory requirements under the Delaware Act and files a certificate of cancellation, this State Trust shall terminate (the “Termination Date”).

Porsche AG, and Porsche Cars North America, Inc. (collectively, the “Defendants”), the United States, and the State of California. Pursuant to the First Partial Consent Decree and the Second Partial Consent Decree, the Defendants and Wilmington Trust, N.A. ## **II. INDIAN TRIBE MITIGATION TRUST**

### **2.0 Establishment of the Indian Tribe Mitigation Trust**

2.0.1 Irrevocable Establishment. The Defendants hereby and irrevocably establish this Indian Tribe Mitigation Trust on behalf of the Beneficiaries in the form of a statutory trust under the Delaware Act, which shall bear the name “Volkswagen Diesel Emissions Environmental Mitigation Trust for Indian Tribe Beneficiaries.” In connection with the Trustee’s power hereunder, the Trustee may use this name or a variation thereof. The Trustee is hereby authorized and directed to execute and file a Certificate of Trust for the Indian Tribe Mitigation Trust in the form attached hereto as Appendix D-5. The Trustee

hereby accepts and agrees to hold the assets owned by the Indian Tribe Mitigation Trust (“Trust Assets”) for the benefit of the Beneficiaries and for the purposes described herein and in the Consent Decree.

2.0.2 Trustee. In accordance with Paragraph 3.0 below, on the Trust Effective Date, the Trustee, not individually but solely in the representative capacity of trustee, shall be appointed as the Trustee in accordance with the Consent Decree to administer the Indian Tribe Mitigation Trust in accordance with this Indian Tribe Trust Agreement and the Consent Decree.

2.0.3 Trust Purpose. It shall be the purpose of the Indian Tribe Mitigation Trust to timely and efficiently fund Eligible Mitigation Actions to be proposed and administered by the Beneficiaries subject to the requirements of the Consent Decree and this Indian Tribe Trust Agreement, and to provide funds for the administration and operation of this Indian Tribe Trust in accordance with this Indian Tribe Trust Agreement. The goal of each Eligible Mitigation Action shall be to achieve reductions of NOx emissions in the United States.

2.0.4 Creation and Use of Indian Tribe Trust Account. Within 15 Days following the Trust Effective Date, the Trustee shall establish a trust account (“Indian Tribe Trust Account”), and file with the Court a designation and identification of the Indian Tribe Trust Account. The purpose of the Indian Tribe Trust Account shall be to receive deposits from the Defendants (directly or through the Court Registry) pursuant to the First Partial Consent Decree and the Second Partial Consent Decree, to hold them in trust, to receive income and gains from any investment of Trust Assets (collectively, “Trust Funds”), and to make disbursements to fund Eligible Mitigation Actions by Beneficiaries and to pay Trust Administration Costs, all in accordance with the Consent Decree and this Indian Tribe Trust Agreement. Disbursements shall be directed by each Beneficiary pursuant to a Beneficiary Eligible Mitigation Action Certification (Appendix D-4) delivered to the Trustee in accordance with Paragraph 5.2. Unless otherwise agreed by the parties to the Consent Decree (“Consent Decree Parties”), the Indian Tribe Trust Account shall be the only account that may be used for these purposes.

2.0.4.1 Indian Tribe Trust Account Divisions. The Indian Tribe Trust Account may be divided into such number of discrete trust subaccounts dedicated for specific purposes as may be deemed necessary in the discretion of the Trustee to comply with the terms of, and to implement, the Consent Decree and this Indian Tribe Trust Agreement.

**2.1 Funding of the Indian Tribe Mitigation Trust:** The Settling Defendants shall fund the Indian Tribe Mitigation Trust as required by the First Partial Consent Decree, and the Defendants shall fund the Indian Tribe Mitigation Trust as required by the Second Partial Consent Decree. The Trustee shall allocate to the Indian Tribe Mitigation Trust the following amounts: (1) 2.01% of the Mitigation Trust Payments from the First Partial Consent Decree plus any income earned on that amount while deposited with the Court Registry account, and (2) 2.3% of the Mitigation Trust Payments from the Second Partial Consent Decree plus any income earned on that amount while deposited with the Court Registry account.

2.1.1 Funding and Use of Tribal Allocation Subaccount. As soon as practicable after the Trust Effective Date, the Trustee's receipt of the Trust Funds from the Court Registry pursuant to subparagraph 2.0.4, and the funding of the Indian Tribe Mitigation Trust pursuant to Paragraph 2.1, the Trustee shall fund the Tribal Allocation Subaccount by transferring into it from the Indian Tribe Trust Account the funds allocated to the Tribal Allocation Subaccount in Appendix D-1 (Initial 2.0 Liter Allocation) and Appendix D-1A (Initial 3.0 Liter Allocation). These funds may only be used to fund Eligible Mitigation Actions and Eligible Mitigation Action Administrative Expenditures in the United States, and for a technical assistance provider in accordance with subparagraph 2.1.1.1. After lodging the First Partial Consent Decree, the United States consulted with interested Indian Tribes for a 60-Day period, in order to establish a mechanism for allocating the funds in the Tribal Allocation Subaccount among those Indian Tribes that are deemed Beneficiaries hereunder, including setting aside 5% of those funds to be directed towards technical assistance to enable Indian Tribes to prepare funding requests for Eligible Mitigation Actions.

2.1.1.1 Technical Assistance Provider. In comments received during the consultation process referenced in subparagraph 2.1.1, Indian Tribes expressed a preference for using an established technical assistance provider to assist Indian Tribes in preparing funding requests for Eligible Mitigation Actions. Accordingly, the Trustee agrees to: (1) set aside 5% of the Tribal Allocation Subaccount into a separate subaccount, the Technical Assistance Provider Subaccount, for record keeping purposes only, to be disbursed to a technical assistance provider to assist Indian Tribes in preparing funding requests for Eligible Mitigation Actions; and (2) select the Institute for Tribal Environmental Professionals as the technical assistance provider for these purposes. The Trustee may rely on, with no further duty of inquiry, and shall be protected in acting upon, any budget, semi-annual report, or other document from the technical assistance provider reasonably believed by the Trustee to be genuine and to have been signed or sent by the proper person or persons.

2.1.1.2 Budget. In order to fund its services, the technical assistance provider shall submit an annual budget to the Trustee in electronic and hard-copy format, and shall include: (i) a detailed description of the proposed services; (ii) a proposed management plan for the proposed services, including a detailed budget, an identification of all indirect costs, and an implementation and expenditure timeline; (iii) a certification that indirect costs comply with the limits in subparagraph 2.1.1.3; (iv) a certification that all vendors were or will be selected in accordance with state or tribal public contracting laws as applicable; (v) for each proposed expenditure exceeding \$25,000, detailed cost estimates from selected or potential vendors; (vi) a detailed description of how the technical services provider will oversee the proposed services, including, but not limited to: identification of the specific entity responsible for reviewing and auditing expenditures of funds to ensure compliance with

applicable law; and a commitment by the technical assistance provider to maintain and make publicly available all documentation submitted in support of the funding request and all records supporting all expenditures of funds, subject to applicable laws governing the publication of confidential business information and personally identifiable information, together with an explanation of the procedures by which the technical assistance provider shall make such documentation publicly available; and (vii) a detailed plan for reporting on implementation that meets the requirements of subparagraph 2.1.1.4. The Trustee shall post each budget on the Indian Tribe Trust's public-facing website upon receipt. Pursuant to the procedures and schedules in subparagraphs 5.2.16 and 5.2.16.1, the Trustee shall approve any funding request in the technical assistance provider's budget that meets the requirements of this subparagraph 2.1.1.2 and shall disburse funds according to the written instructions provided by the technical assistance provider.

2.1.1.3 Limits on Indirect Costs. The technical assistance provider's indirect costs associated with administering the technical assistance portion of the Tribal Allocation Subaccount shall not exceed 30.9% of the overall costs in providing technical assistance under subparagraph 2.1.1.1 (i.e., of the 5% portion that will be used for technical assistance, no more than 30.9% of the 5% portion may consist of indirect costs). For purposes of this subparagraph, "indirect costs" are those costs incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved. As required by subparagraph 2.1.1.2, the technical assistance provider shall separately set forth the indirect costs in each annual budget submitted to the Trustee. These indirect costs are subject to the limitations in the Federal Acquisition Regulations at 48 C.F.R. § 31.205.

2.1.1.4 Reporting Obligations. No later than six months after receiving its first disbursement of Trust Assets, and thereafter no later than January 30 (for the preceding six-month period of July 1 to December 31) and July 30 (for the preceding six-month period of January 1 to June 30) of each year, the technical assistance provider shall provide a semiannual report to the Trustee describing the progress implementing the technical assistance services during the six-month period leading up to the reporting date (including a summary of all costs expended on the services through the reporting date). Such reports shall include a complete description of the status, development, and implementation of the services. These reports shall be signed by an official with the authority to submit the report for the technical assistance provider and must contain an attestation that the information is true and correct and that the submission is made under penalty of perjury. The Trustee shall post each semiannual report on the Indian Tribe Trust's public-facing website upon receipt.

2.1.1.5 Unused Funds. Upon the termination or completion of services by the technical assistance provider, any unused funds shall be returned by the technical assistance provider to the Indian Tribe Trust and added back to the Tribal Allocation Subaccount.

2.1.2 Establishment of Beneficiary Status and Funding Requests. Prior to receiving any funds, each Indian Tribe must establish Beneficiary status pursuant to Paragraph 4.0 by filing with the Court, at the time it submits its first funding request, including any request seeking DERA funds, a Certification for Beneficiary Status under Environmental Mitigation Trust Agreement (Appendix D-3) (“Certification Form”), containing each of the certifications required by subparagraphs 4.2.1 through 4.2.9. At the time of filing the Certification Form with the Court, each Indian Tribe shall also provide a copy of the Certification Form to the Trustee in electronic format and by mail pursuant to Paragraph 6.0 and subparagraph 6.0.1. Any funding request submitted by any Indian Tribe must comply with the requirements of subparagraphs 5.2.2 through 5.2.13, as applicable, and each allocation given to any Indian Tribe that is determined to be a Beneficiary pursuant to subparagraphs 4.0.2 and 5.0.5.1 shall be subject to Paragraph 5.3 and subparagraphs 5.0.5, 5.2.17, and 5.4.5.

2.1.3 Intentionally Reserved.

2.1.3.1 Intentionally Reserved.

2.1.3.2 Tribal Administration Cost Subaccount. As soon as practicable after the Trust Effective Date, the Trustee’s receipt of the Trust Funds from the Court Registry pursuant to subparagraph 2.0.4, and the funding of the Indian Tribe Mitigation Trust pursuant to Paragraph 2.1, the Trustee shall establish a Tribal Administration Cost Subaccount that shall be funded in accordance with the specific allocation for the Tribal Administration Cost Subaccount in Appendix D-1 (Initial 2.0 Liter Allocation) and Appendix D-1A (Initial 3.0 Liter Allocation). The funds in this subaccount shall be used exclusively to pay for the Indian Tribe Trust’s expenses relating to administering the Tribal Allocation Subaccount; provided, however, that the Trustee, consistent with the weighted average allocation percentage of 2% set forth in Appendix D-1B, may also draw upon this account to pay 2% of the Start-up Costs and 2% of the Shared State and Indian Tribe Administration Costs, in accordance with Paragraph 3.6. No additional Trust Assets may be directed to the Tribal Administration Cost Subaccount, or to the payment of Trust Administration Costs relating to the Tribal Administration Cost Subaccount, other than investment earnings on the Tribal Administration Cost Subaccount, absent further order of the Court.

2.1.4 Tribal Advisory Council. In comments received during the consultation process referenced in subparagraph 2.1.1, Indian Tribes expressed a preference that a portion of the funds in the Tribal Administration Cost Subaccount be used to establish and fund a Tribal Advisory Council to advise the Trustee in evaluating tribal funding requests for

Eligible Mitigation Actions. The Trustee agrees to select the Institute for Tribal Environmental Professionals to coordinate the establishment of a Tribal Advisory Council. The Trustee shall set aside \$30,000 of the Tribal Administrative Cost Subaccount into a separate subaccount, the Tribal Advisory Council Subaccount, for record keeping purposes only, to fund a Tribal Advisory Council to advise the Trustee in evaluating tribal funding requests. The Institute for Tribal Environmental Professionals shall follow the requirements of subparagraphs 2.1.1.2, 2.1.1.3, and 2.1.1.4 with respect to funding requests and reporting obligations for the Tribal Advisory Council. Upon the termination or completion of services by the Tribal Advisory Council, any unused funds shall be returned by the Institute for Tribal Environmental Professionals to the Indian Tribe Trust and added back to the Tribal Administration Cost Subaccount.

2.1.5 Tax Payment Subaccount. As soon as practicable after the Trust Effective Date, the Trustee's receipt of the Trust Funds from the Court Registry pursuant to subparagraph 2.0.4, and the funding of the Indian Tribe Mitigation Trust pursuant to Paragraph 2.1, the Trustee shall deduct an amount equal to the estimated taxes owed on earnings of the Trust Funds while on deposit in the Court Registry that have been allocated to the Indian Tribe Mitigation Trust pursuant to Paragraph 2.1. The amount of the deduction shall be based on applicable income tax withholding and reporting requirements, and consistent with Section 468B of the Internal Revenue Code, 26 U.S.C. § 468B, and related Treasury Regulations. Such amount shall be deposited into a dedicated, non-interest bearing account ("Tax Payment Subaccount"). In addition, prior to the allocation of any investment income pursuant to subparagraph 3.2.3, the Trustee shall deduct an amount equal to the estimated taxes owed on such earnings and deposit that sum into the Tax Payment Subaccount. The amounts in this Tax Payment Subaccount shall be used for the express purpose of paying all applicable taxes with respect to the Indian Tribe Mitigation Trust in a manner consistent with Paragraph 6.7. If at any time the funds on deposit in this Tax Payment Subaccount are insufficient to pay all Taxes then due and owing, the Trustee shall seek to resolve any dispute pursuant to the dispute resolution procedures of Paragraph 6.2.

## **2.2 Trust Limitations**

2.2.1 No Consent Decree Party or Beneficiary, nor any of their components, agencies, officers, directors, agents, employees, affiliates, successors, or assigns, shall be deemed to be an owner, operator, trustee, partner, agent, shareholder, officer, or director of the Indian Tribe Mitigation Trust.

2.2.2 All Trust Assets shall be used solely for the purposes provided in the Consent Decree and this Indian Tribe Trust Agreement.

2.2.3 This Indian Tribe Mitigation Trust is irrevocable. The Defendants: (i) shall not retain any ownership or residual interest whatsoever with respect to any Trust Assets, including, but not limited to, the funds transferred by the Defendants to fund the Indian Tribe Trust pursuant to the terms of the Consent Decree, (ii) shall not have any liabilities or funding obligations with respect to the Indian Tribe Trust (to the Trustee, the Beneficiaries or otherwise) other than the funding obligations expressly set forth in the Consent Decree,

and (iii) shall not have any liability or obligation to pay tax on any income or gains from any investments of Trust Assets. Nor shall the Defendants have any rights or role with respect to the management or operation of the Indian Tribe Trust, or the Trustee's approval of requests for Eligible Mitigation Action funding.

2.2.4 Exculpation. Neither the Trustee and its officers, directors, and employees, the Investment Manager and its officers, directors, and employees, the Tax Professionals nor the Indian Tribe Mitigation Trust shall have any liability whatsoever to any person or party for any liability of the Defendants; provided, however, that the Indian Tribe Mitigation Trust shall be liable to the Beneficiaries for funding of Eligible Mitigation Actions in accordance with the terms of this Indian Tribe Trust Agreement and the Consent Decree.

### **III. TRUSTEE RESPONSIBILITIES**

Wilmington Trust, N.A., not individually but in its representative capacity as Trustee, is hereby appointed to serve as the Trustee to administer the Indian Tribe Mitigation Trust in accordance with this Indian Tribe Trust Agreement and the Consent Decree. The Trustee hereby accepts such appointment and agrees to serve, commencing on the Trust Effective Date, in such capacity to the Indian Tribe Mitigation Trust and for the benefit of the Beneficiaries.

3.0.1 Wilmington Trust, N.A. is acting in two separate and distinct roles under the Indian Tribe Mitigation Trust: (1) as the Trustee of the Indian Tribe Mitigation Trust; and (2) as the Investment Manager of the Trust Assets. These roles are subject to different standards of care. Wilmington Trust, N.A., acting as Trustee, is subject to the standard of care set forth in subparagraphs 3.1.1 and 3.5.2. In its role as Investment Manager, Wilmington Trust, N.A. is subject to the standard of care set forth in subparagraph 3.2.2.

#### **3.1 Powers of the Trustee**

3.1.1 Except as set forth in this Indian Tribe Trust Agreement, the Trustee shall have the power to perform those acts necessary and desirable to accomplish the purposes of the Indian Tribe Mitigation Trust, which shall be exercised in an efficient and expeditious manner in furtherance of and in a manner consistent with the purposes of this Indian Tribe Trust Agreement and the Consent Decree. Subject to the limitations on liability set forth in subparagraph 3.5.2, the Trustee shall act in accordance with the current professional standards of care and with the diligence, skill, and care expected for the administration of such a Trust. The Trustee shall have only such duties, rights, powers, and privileges expressly set forth in the Consent Decree, this Indian Tribe Trust Agreement, and as otherwise provided by the Delaware Act. No implied duties (including fiduciary duties) shall be read into this Indian Tribe Trust against Wilmington Trust, N.A., acting as the Trustee.

3.1.2 Upon the Trust Effective Date, the powers of the Trustee shall include the following:

- 3.1.2.1 To receive, manage, invest, reinvest, supervise, and protect the Trust Assets as provided in Paragraph 3.2 of this Indian Tribe Trust Agreement or to engage a professional investment manager (“Investment Manager”) to receive, manage, invest, reinvest, supervise, and protect the Trust Assets as provided in Paragraph 3.2 for the benefit of the Beneficiaries. The Trustee appoints Wilmington Trust, N.A. as the Investment Manager for the Indian Tribe Mitigation Trust pursuant to an Investment Management Agreement entered into on the Trust Effective Date to manage the Trust Assets in accordance with Paragraph 3.2;
- 3.1.2.2 To establish and maintain a public-facing website onto which it will post all materials as required hereunder;
- 3.1.2.3 To establish and maintain a secure method of internet-based communications for the use of the Trustee and the Beneficiaries;
- 3.1.2.4 To hold title to property in the name of the Trustee in its capacity as such;
- 3.1.2.5 To incur, and pay from the Tribal Administration Cost Subaccount, any and all customary and commercially reasonable charges and expenses upon or connected with the administration of this Indian Tribe Mitigation Trust in the discharge of its obligations hereunder, including 2% of Start-up Costs and 2% of Shared State and Indian Tribe Administration Costs;
- 3.1.2.6 To engage and compensate professionals to assist the Trustee in accordance with this Indian Tribe Trust Agreement, including, but not limited to, legal, environmental, investment, accounting, tax, website, and third-party auditing professionals, or internet service providers, or insurance providers. Such third-party auditing professionals may be used by the Trustee to audit and/or review expenditures to verify that they comport with the requirements and limitations on use of Trust Funds, as set forth herein. The Trustee may initiate such an audit and/or review on its own initiative or in response to credible reports or suggestions that such review or audit is appropriate. The Trustee shall have an annual independent audit prepared and posted on the website. In its sole discretion, the United States may waive the requirement of an annual audit starting in year seven or at an earlier time in order to preserve Trust Funds;
- 3.1.2.7 To engage and compensate professionals to assist the Trustee in requesting a Private Letter Ruling from the IRS: (1) that the Indian Tribe Mitigation Trust will be treated as a Qualified Settlement Fund under 26 C.F.R. § 1.468B-1; and (2) on any federal tax matter that the Tax Professionals reasonably believe is necessary to support the ruling in (1) or otherwise prudent to clarify an uncertain application of federal tax law to the

Indian Tribe Mitigation Trust, and to take such actions as may be reasonably necessary to secure such ruling and to ensure that the Indian Tribe Mitigation Trust continues to comply with such ruling upon the advice of the Tax Professionals. The Trustee may engage and compensate professionals to assist the Trustee in requesting a Private Letter Ruling from the IRS that investment income earned on the Trust Assets will be excludible from gross income upon the advice of Tax Professionals that the pursuit of such a Private Letter Ruling is prudent; and

- 3.1.2.8 To purchase any insurance policies as the Trustee may determine to be prudent to protect the Indian Tribe Mitigation Trust, the Trust Assets, the Trustee and its officers, directors, and employees, Wilmington Trust, N.A., in its role as Investment Manager, and its officers, directors, and employees, and to cover Tax Professionals, if required, from any and all Claims that might be asserted against each;
- 3.1.2.9 To distribute Trust Assets for the purposes contemplated in this Indian Tribe Trust Agreement and the Consent Decree, including distributions of funds to Beneficiaries for approved Eligible Mitigation Actions;
- 3.1.2.10 To file documents in Court on behalf of itself and the Indian Tribe Trust;
- 3.1.2.11 To make all necessary state and federal filings and to provide information as required by law;
- 3.1.2.12 To vote shares or other investments;
- 3.1.2.13 To open or maintain any additional bank accounts, or close bank accounts or open securities accounts as are necessary or appropriate to manage the Trust Assets;
- 3.1.2.14 To apply, as soon as practicable after the Trust Effective Date, for an employer identification number for the Indian Tribe Trust pursuant to IRS Form SS-4, and in accordance with Treasury Regulation Section 1.468B-2(k)(4), 26 C.F.R. § 1.468B-2(k)(4);
- 3.1.2.15 To deduct and withhold from allocation of investment earnings to the Beneficiaries under subparagraph 3.2.3 all Taxes that the Trustee may be required to deduct and withhold under any provision of tax law, and any allocation of investment income under subparagraph 3.2.3 to an Indian Tribe Trust subaccount shall be reduced to the extent such withheld amounts are remitted to the appropriate taxing authority;

- 3.1.2.16 To file on behalf of the Indian Tribe Trust all required Tax Returns, which shall be completed in consultation with Tax Professionals, ensure compliance with withholding and reporting requirements, and pay any and all Taxes, including estimated Taxes, due and owing with respect to the Indian Tribe Trust from amounts in the Tax Payment Subaccount pursuant to subparagraph 2.1.5; and
- 3.1.2.17 Subject to applicable requirements of this Indian Tribe Trust Agreement (including the limitations on liability set forth in subparagraph 3.5.2), the Consent Decree, and other applicable law, to effect all actions and execute and deliver all contracts, instruments, agreements, or other documents that may be necessary to administer the Indian Tribe Mitigation Trust in accordance with this Indian Tribe Trust Agreement and the Consent Decree, each in accordance with its duties and the current professional standards of care, and with the diligence, skill, and care expected for the administration of such a Trust for the benefit of the Indian Tribes.
- 3.1.2.18 Duty to Comply with Law. The Trustee shall not be required to take any action that would violate a law or regulation to which it is subject.
- 3.1.2.19 Relation-Back Election. If applicable, the Trustee and the Defendants shall fully cooperate in filing a relation-back election under Treasury Regulation Section 1.468B-1(j)(2), 26 C.F.R. § 1.468B-1(j)(2), to treat the Indian Tribe Trust as coming into existence as a settlement fund as of the earliest possible date.

**3.2 Investment of Trust Assets:** The Trustee shall engage the Investment Manager to invest and reinvest the principal and income of the Trust Assets in those investments that are reasonably calculated to preserve the principal value, taking into account the need for the safety and liquidity of principal as may be required to fund Eligible Mitigation Actions and Trust Administration Costs.

3.2.1 Any investment income that is not reinvested shall be deposited into the Indian Tribe Trust Account for distribution among the Beneficiaries.

3.2.2 In investing, reinvesting, exchanging, selling, and managing Trust Assets, the Trustee or Investment Manager must perform its duties solely in the interest of the Beneficiaries and with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent investor, acting in a like capacity and familiar with such matters, would exercise in the conduct of an enterprise of like character and with like aims. The Investment Manager shall comply with all applicable laws and shall be held to a fiduciary standard of care with respect to the investment and reinvestment of the principal and income of Trust Assets; except that the right and power of the Investment Manager to invest and reinvest the Trust Assets shall be limited to: (i) demand and time deposits, such as certificates of deposit, in banks or other savings institutions whose deposits are federally insured; (ii) U.S. Treasury bills, bonds, and notes, including, but not limited to, long-term

U.S. Treasury bills, bonds, and notes; (iii) repurchase agreements for U.S. Treasury bills, bonds, and notes; (iv) AA or AAA corporate bonds (with the rating awarded by at least two of the three major rating agencies (Standard & Poor's, Moody's, or Fitch)); or (v) open-ended mutual funds owning only assets described in subparts (i) through (iv) of this subsection. The Investment Manager shall maintain prudent diversification across instruments and specific issuers. The value of bonds of any single company and its affiliates owned by the Indian Tribe Trust directly rather than through a mutual fund shall not exceed 10% of the investment portfolio at time of purchase; this restriction does not apply to any of the following: Repurchase Agreements; Money Market Funds; U.S. Treasuries; and U.S. Government Agencies. Any such investments shall be made consistently with the Uniform Prudent Investor Act. The determination of the rating of any investments made by the Investment Manager shall be made on the date of acquisition of any such investment or on the date of re-investment. The Investment Manager shall reconfirm that all investments of Trust Assets still meet the original rating requirement on a quarterly basis. If the Investment Manager determines that any particular investment no longer meets the rating requirement, the Investment Manager shall substitute that investment with an investment that meets the ratings requirement as promptly as practicable, but in no event later than the next reporting period. Previously purchased securities downgraded below AA may be held for a reasonable and prudent period of time if the Investment Manager believes it is in the interest of the Indian Tribe Trust to do so. The borrowing of funds or securities for the purpose of leveraging, shorting, or other investments is prohibited. Investment in non-U.S. dollar denominated bonds is prohibited. This subparagraph 3.2.2 shall act as a standing default investment instruction for all cash in any account or subaccount that holds any Trust Assets in cash, which shall be invested in The Blackrock Fed Fund (CUSIP 09248U809). Except for actions or omissions of the Investment Manager that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct, the Investment Manager and its officers, directors, or employees shall have no liability for any and all Claims.

3.2.3 Allocation of Investment Income. Any and all earnings, interest, and other investment income realized on the investment of the Trust Assets shall be allocated to each Indian Tribe Trust subaccount on the basis of the respective subaccount balances at the end of each month. Any and all earnings, interest, and other investment income realized on the investment of the assets held in the Tribal Administration Cost Subaccount shall be allocated to that administration subaccount on the basis of the administration subaccount balance at the end of each month.

3.2.4 Nothing in this Section shall be construed as authorizing the Trustee to cause the Indian Tribe Mitigation Trust to carry on any business or to divide the gains therefrom. The sole purpose of this Section is to authorize the investment of the Trust Assets or any portion thereof as may be reasonably prudent pending use of the proceeds for the purposes of the Indian Tribe Mitigation Trust.

**3.3 Accounting:** The Trustee shall maintain the books and records relating to the Trust Assets and income and the payment of expenses of and liabilities against the Indian Tribe Mitigation Trust. The detail of these books and records and the duration the Trustee shall keep such

books and records shall be such as to allow the Trustee to make a full and accurate accounting of all Trust Assets, as well as to comply with applicable provisions of law and standard accounting practices, including Generally Accepted Accounting Principles (“GAAP”). The United States, by and through EPA, and each Beneficiary, shall have the right upon 14 Days’ prior written notice to inspect such books and records, as well as all supporting documentation. Except as otherwise provided herein, the Trustee shall not be required to file any accounting or seek approval of the Court with respect to the administration of the Indian Tribe Mitigation Trust, or as a condition for making any payment or distribution out of the Trust Assets.

3.3.1 Semi-Annual Reporting. Within 180 Days of the Trust Effective Date in the first year, and thereafter by February 15 (for the preceding six-month period of July 1 to December 31) and August 15 (for the preceding six-month period of January 1 to June 30) of each year, and then at least 30 Days prior to the filing of a motion to terminate pursuant to Paragraph 6.8 hereof (each a “Financial Reporting Date”), the Trustee shall file with the Court and provide each known Beneficiary, the Technical Assistance Provider, and the Defendants with:

- 3.3.1.1 A statement: (i) confirming the value of the Trust Assets; (ii) itemizing the investments then held by the Indian Tribe Trust (including applicable ratings on such investments); and (iii) including a cumulative and calendar year accounting of the amount the Trustee has paid out from the Indian Tribe Trust Account and all subaccounts to any recipient;
- 3.3.1.2 Regarding the Tribal Allocation Subaccount, the Trustee shall provide cumulative and calendar year accounting, as of the Financial Reporting Date, of: (i) the initial allocation of Trust Assets in the Tribal Allocation Subaccount; (ii) any allocation adjustments pursuant to this Indian Tribe Trust Agreement; (iii) line item descriptions of completed disbursements on account of approved Eligible Mitigation Action; and (iv) the remaining and projected amount in the Tribal Allocation Subaccount. Such accounting shall also include, for each Beneficiary, a balance statement and projected annual budget of disbursements taking into account those Eligible Mitigation Actions that have been approved as of the Financial Reporting Date;
- 3.3.1.3 Regarding the Tribal Administration Cost Subaccount, the Trustee shall provide cumulative and calendar year accounting, as of the Financial Reporting Date, of: (i) line item disbursements of Total Administration Costs; (ii) balance statements; and (iii) 3-year projected annual budgets of disbursements on account of Trust Administration Costs;
- 3.3.1.4 For the Indian Tribe Trust Account and all subaccounts, including, but not limited to the Tribal Administration Cost Subaccount, balance statements and 3-year projected annual budgets that itemize all assets, income, earnings, expenditures, allocations, and disbursements of Trust Assets by Indian Tribe Trust Account and each subaccount;

3.3.1.5 Third-party audited financial reports disclosing and certifying the disposition of all Trust Assets from the Trust Effective Date through the calendar quarter immediately preceding the Financial Reporting Date, specifically including reconciliations of the Trustee's prior budget projections for Trust Administration Costs to actual performance;

3.3.1.6 A description of any previously unreported action taken by the Indian Tribe Trust in performance of its duties which, as determined by the Trustee, counsel, accountants, or other professionals retained by the Trustee, affects the Indian Tribe Trust in a materially adverse way;

3.3.1.7 A brief description of all actions taken in accordance with this Indian Tribe Trust Agreement and the Consent Decree during the previous year; and

3.3.1.8 On each Financial Reporting Date, the Trustee shall simultaneously publish on the Indian Tribe Trust's public-facing website all information required to be provided under Paragraph 3.3.

3.3.2 After the Termination Date, the Trustee intends to destroy all records retained pursuant to this Indian Tribe Trust Agreement. The Trustee shall notify the United States and the Defendants at least 90 Days prior to the destruction of the records. Upon request by the United States or the Defendants, the Trustee shall deliver any such records to EPA or the Defendants, respectively.

**3.4 Limitation of the Trustee's Authority:** The Trustee is not authorized to engage in any trade or business with respect to the Trust Assets or proceeds therefrom. This provision does not prevent Wilmington Trust, N.A. from acting as the Investment Manager.

**3.5 Conditions of Trustee's Obligations:** The Trustee accepts appointment as the Trustee subject to the following express terms and conditions:

3.5.1 No Bond. Notwithstanding any state or tribal law to the contrary, the Trustee, including any successor Trustee, shall be exempt from giving any bond or other security in any jurisdiction.

3.5.2 Limitation of Liability and Standard of Care for the Trustee. In no event shall the Trustee be held personally liable for any and all Claims asserted against the Trustee and/or the Indian Tribe Mitigation Trust except for actions or omissions of the Trustee that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct by the Trustee. The Trustee shall not be held personally liable for carrying out the express terms of this Indian Tribe Mitigation Trust or carrying out any directions from the Beneficiaries or the United States issued in accordance with this Indian Tribe Trust Agreement or in accordance with any Court Order entered in connection with or arising out of the Indian Tribe Mitigation Trust. The Trustee shall not be held personally liable for any failure or delay in the performance of its obligations hereunder arising from causes beyond the control of the Trustee ("Force Majeure"). The Trustee may consult with

legal counsel, accounting and financial professionals, environmental professionals, and other professionals, and shall not be personally liable for any action taken or omission made by it in accordance with advice given by such professionals, except in the case of a final, non-appealable judgment of the Court determining fraud, negligence, or willful misconduct on the part of the Trustee in following such advice. The Trustee shall not be held liable for the negligence, fraud, or willful misconduct of any professional hired by it hereunder provided that the Trustee appointed and engaged the professional with due care. In the absence of willful misconduct, negligence, or fraud by the Trustee, as determined by a final, non-appealable judgment of the Court, the Trustee shall not be personally liable to persons seeking payment from or asserting any and all Claims against the Indian Tribe Mitigation Trust or the Trustee. The Trustee, which is a trustee of this Indian Tribe Trust that has been established under the Delaware Act, shall only be held to the standards of care set forth in this subparagraph 3.5.2; the standards of common law trust laws or the personal trust laws of any state shall not apply in any circumstances hereunder.

3.5.2.1 Limitation of Liability for Tax Professionals. In no event shall the Tax Professionals engaged by the Trustee to assist it with the administration of the Indian Tribe Mitigation Trust be held personally liable for any and all Claims asserted against them except for actions or omissions of the Tax Professionals that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct by the Tax Professionals.

3.5.3 Indemnification. Except for actions or omissions of the Trustee, the Investment Manager, and the Tax Professionals that are determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct, in each separate case, by the Trustee, the Investment Manager, or the Tax Professionals, each of the Trustee, the Investment Manager, and the Tax Professionals hired hereunder are entitled to indemnification from the Trust Assets, solely as provided in this subparagraph 3.5.3, to hold them harmless against any and all Claims brought against any of them arising out of or in connection with the acceptance or administration of their duties under this Indian Tribe Mitigation Trust, including any and all Claims in connection with enforcing their rights hereunder and defending themselves against any and all Claims. In asserting any indemnification claim against Trust Assets pursuant to this subparagraph 3.5.3, the Trustee, the Investment Manager, and the Tax Professionals shall first seek to recover the amount by asserting a claim against the Trustee's insurance policies purchased pursuant to subparagraph 3.1.2.8 to protect the Trustee, the Investment Manager, and the Tax Professionals hired hereunder against any and all Claims. With respect to any and all amounts that: (1) are not fully and timely paid to the Trustee, the Investment Manager, or the Tax Professionals pursuant to the insurance policies purchased pursuant to subparagraph 3.1.2.8, and (2) are not determined in a final, non-appealable judgment of the Court to be fraudulent, negligent, or willful misconduct, in each separate case, by the Trustee or the Investment Manager or the Tax Professionals, each of the Trustee, the Investment Manager, and the Tax Professionals hired hereunder are entitled to indemnification solely from the portion of Trust Assets in (1) the Tribal Administration Cost Subaccount established pursuant to subparagraph 2.1.3.2; and (2) the investment earnings on the Tribal

Administration Cost Subaccount. Indemnification under this subparagraph 3.5.3 covers only the amounts not fully and timely paid or covered by insurance policies purchased pursuant to subparagraph 3.1.2.8. The Trustee, the Investment Manager, and the Tax Professionals shall reimburse the Indian Tribe Mitigation Trust for any amount advanced to them or paid from the Tribal Administration Cost Subaccount for any Claim if any proceeds are paid on such Claim from insurance policies purchased pursuant to subparagraph 3.1.2.8. If insurance payments are denied in whole or part, the Trustee shall confer with legal counsel and consider whether to affirmatively pursue such insurance payments including, without limitation, an insurance coverage suit arising out of a wrongful denial of coverage. For the avoidance of doubt, subparagraphs 3.5.2, 3.5.2.1, and 3.5.3 do not create for the Indian Tribe Mitigation Trust, the Trustee, the Investment Manager, and the Tax Professionals hired hereunder any express or implied right to indemnification from any Consent Decree Party for any and all Claims asserted against the Trustee, the Indian Tribe Mitigation Trust, the Investment Manager, or the Tax Professionals, and no Consent Decree Party shall be liable for any and all Claims asserted against the Trustee, the Indian Tribe Mitigation Trust, the Investment Manager, or Tax Professionals.

3.5.4 Reliance on Documentation. The Trustee may rely on, and shall be protected in acting upon, any notice, requisition, request, consent, certificate, order, affidavit, letter, or other paper or document reasonably believed by it to be genuine and to have been signed or sent by the proper person or persons. The Trustee may rely upon, with no further duty of inquiry, and shall be protected in acting upon, the certifications made by and delivered to it by the Beneficiaries, including the Certification for Beneficiary Status under Environmental Mitigation Trust Agreement (Appendix D-3) and each Beneficiary Eligible Mitigation Action Certification form (Appendix D-4). The Trustee shall have no duty to monitor or supervise the use of Trust Funds paid in accordance with Beneficiary Eligible Mitigation Action Certification and Funding Direction forms or any Beneficiary's compliance with an Eligible Mitigation Action.

3.5.5 Right to Demand Documentation. Notwithstanding anything else in this Indian Tribe Trust Agreement, in the administration of the Trust Assets, the Trustee shall have the right, but shall not be required, to demand from the relevant Beneficiary before the disbursement of any cash or in respect of any action whatsoever within the purview of this Indian Tribe Mitigation Trust, any showings, certificates, opinions, appraisals, or other information, or action or evidence thereof, in addition to that required by the terms hereof that the Trustee reasonably believes to be necessary or desirable.

3.5.6 Limitation on Consequential Damages. Unless the Trustee, the Investment Manager, or the Tax Professionals are determined in a final, non-appealable judgment of the Court to have engaged in fraudulent or willful misconduct, the United States or any Beneficiary of the Indian Tribe Mitigation Trust shall not have any right to recover, and the Indian Tribe Mitigation Trust, the Trustee, the Investment Manager, or the Tax Professionals shall not be liable for, any special, indirect, punitive, or consequential loss or damages, of any kind whatsoever, against the Indian Tribe Mitigation Trust, the Trustee, the Investment Manager, or the Tax Professionals. When the Trustee, the Investment Manager, or the Tax Professionals are determined in a final, non-appealable judgment of the Court to have been

negligent, any and all Claims by the United States or any Beneficiary of the Indian Tribe Mitigation Trust shall be limited to direct damages.

3.5.7 No Consequential Damages. In no event shall the Trustee, the Investment Manager, the Tax Professionals, or the Indian Tribe Mitigation Trust be held responsible or liable for special, indirect, punitive, or consequential loss or damages of any kind whatsoever in connection with any and all Claims brought against them by any third party.

**3.6 Payment of Trust Administration Costs:** Subject to the limits set forth in Appendix D-1 and Appendix D-1A, the Indian Tribe Mitigation Trust shall pay from the Tribal Administration Cost Subaccount its own reasonable and necessary costs and expenses, and shall reimburse the Trustee for the actual reasonable out-of-pocket fees, costs, and expenses to the extent incurred by the Trustee in connection with the administration of the Indian Tribe Trust, including payment of professionals hired in connection with the duties and responsibilities of the Indian Tribe Trust, payment of insurance premiums for policies purchased pursuant to subparagraph 3.1.2.8, payment of a deductible incurred under an insurance policy for the Indian Tribe Trust, Trustee, Investment Manager, or Tax Professionals hired hereunder purchased pursuant to subparagraph 3.1.2.8 in cases in which the Indian Tribe Trust, Trustee, Investment Manager, or Tax Professionals would be entitled to indemnification under subparagraph 3.5.3, and any indemnification amounts as provided in accordance with subparagraph 3.5.3. The Trustee also shall be entitled to receive reasonable compensation for services rendered on behalf of the Indian Tribe Mitigation Trust, in accordance with the projected annual budgets for administration of the Indian Tribe Mitigation Trust required under subparagraph 3.3.1 hereof, and shall be entitled to pay itself from the Tribal Administration Cost Subaccount its initial fee and its annual administration fee as set forth in its fee letter dated as of the Trust Effective Date (“Trustee Fee Letter”). The Trustee shall provide a copy of the Trustee Fee Letter to each Beneficiary via the secure internet site established by the Trustee pursuant to subparagraph 3.1.2.3. Consistent with the weighted average allocation rates set forth in Appendix D-1B, the Indian Tribe Mitigation Trust shall pay from the Tribal Administration Cost Subaccount 2% of Start-up Costs and 2% of Shared State and Indian Tribe Administration Costs. Notwithstanding the foregoing, the total amount of allowable Trust Administration Costs shall not exceed the specific allocation established for the Tribal Administration Cost Subaccount in Appendix D-1 and Appendix D-1A, plus any and all earnings, interest, and other investment income realized on the investment of the assets held in the Tribal Administration Cost Subaccount. The Trustee shall not use the Tribal Administration Cost Subaccount to pay: (1) the fees and expenses of the Investment Manager; or (2) any and all Taxes due and owing with respect to the Indian Tribe Trust. In accordance with the terms of the Investment Management Agreement, the Investment Manager’s fees and expenses shall be deducted directly from the investment earnings on the Trust Assets, and not from the corpus of the Trust Assets. All Taxes shall be paid from amounts on deposit in the Tax Payment Subaccount established in subparagraph 2.1.5. The Trustee shall include in its semi-annual reporting, and post on its public-facing website, all Trust Administration Costs (including the costs and descriptions of the Trustee’s services rendered on behalf of the Indian Tribe Trust) at least 15 Days prior to the payment of any such expense; provided, however, that the requirement to post all Trust Administrative Costs at least 15 Days prior to payment shall first take effect when the website is established and ready for use, and shall not initially apply to Start-up Costs and to Shared State and Indian Tribe Administration Costs. After the Tribal Administration Cost Subaccount is funded pursuant to subparagraph 2.1.3.2, the Trustee, after receipt of invoices

from any third party service providers, shall pay as promptly as practical any and all fees, costs, and expenses incurred by the Trustee to establish the Indian Tribe Mitigation Trust including, but not limited to: (1) the invoices of third party service providers (e.g., legal, accounting, website developer, and hosting provider); (2) fees, costs, and expenses necessary to commence the operations of the Indian Tribe Trust (e.g., Intralinks, Pacer, and insurance premiums); and (3) the Trustee's acceptance fee and first quarter portion of the Trustee's annual fee for the first year. All Trust Administration Costs that are paid prior to the establishment of the website shall be posted on the website as promptly as practicable after the website is established. Such information shall remain available on the website until the Termination Date.

### **3.7 Termination, Resignation, and Removal of the Trustee**

3.7.1 Termination of Trustee. The rights, powers, duties, and obligations of the Trustee to the Indian Tribe Mitigation Trust and the Beneficiaries will terminate on the Termination Date.

3.7.2 Resignation of Trustee and Successor Trustee. The Trustee may commence the resignation process at any time by providing 90 Days' notice to the United States, the Defendants, and the Beneficiaries. Resignation of the Trustee shall only be effective upon: (i) selection of a successor pursuant to the procedures set forth in the First Partial Consent Decree; and (ii) order of the Court. The successor trustee shall have the same powers and duties as those conferred upon the Trustee hereunder. Upon the appointment of a successor trustee or as otherwise ordered by the Court, the Trustee shall transfer all Indian Tribe Trust records to the successor trustee, and shall take all actions necessary to assign, transfer, and pay over to the successor trustee control of all Trust Assets (including the public website maintained by the Trustee). In the event that the Trustee ceases to exist or ceases to operate its corporate trust business, the Court may, upon motion by the United States or any Beneficiary, appoint an interim Trustee until such time as a successor trustee is appointed in accordance with the procedures set forth in the First Partial Consent Decree. Any successor Trustee appointed hereunder shall file an amendment to the Certificate of Trust as required by the Delaware Act.

## **IV. INDIAN TRIBE MITIGATION TRUST BENEFICIARIES**

**4.0 Determination of Beneficiary Status:** Each Indian Tribe may elect to become a Beneficiary hereunder by filing with the Court a Certification for Beneficiary Status under Environmental Mitigation Trust Agreement (Appendix D-3), containing each of the certifications required by subparagraphs 4.2.1 through 4.2.9, at the time it files its first funding request, including any request seeking DERA funds. At the time of filing the Certification Form with the Court, each Indian Tribe shall also provide a copy of the Certification Form to the Trustee in electronic format and by mail pursuant to Paragraph 6.0 and subparagraph 6.0.1. Each Indian Tribe that timely files such certifications shall be a "Certifying Entity." The Trustee shall be responsible for ensuring that the form of each certification complies with the requirements hereof prior to deeming any Certifying Entity to be a Beneficiary pursuant to subparagraphs 4.02 and 5.0.5.1.

4.0.1 Notice of Objection. If the United States determines that a certification filed by any Certifying Entity fails to comply with the requirements of this Section, the United States may file with the Court a notice of objection within 30 Days after a Certifying Entity files its certifications with the Court. Such notice shall explain the basis of objection with specificity. Any such objections shall be resolved according to the procedures set forth in Paragraph 6.2.

4.0.2 Notice of Beneficiary Designation. Regarding the determination of Beneficiary status for Indian Tribes pursuant to subparagraphs 5.0.5 and 5.0.5.1, not later than 120 Days after the Trust Effective Date, the Trustee shall file with the Court, publish on its public-facing website, and serve on each Consent Decree Party and Certifying Entity lists indicating:

4.0.2.1 Which Certifying Entities filed certifications as to which no notice of objection has been filed. Upon the filing of this Notice of Beneficiary Designation, each such Certifying Entity shall be deemed a “Beneficiary” hereunder; and

4.0.2.2 Intentionally Reserved.

4.0.2.3 Which Certifying Entities timely filed certifications as to which a notice of objection has been filed pursuant to subparagraph 4.0.1, together with an explanation of the status of any such objection. Each such Certifying Entity shall be a “Pending Beneficiary.” Upon final resolution of each objection, the Pending Beneficiary shall either be deemed a Beneficiary or not qualified as a Beneficiary under this Indian Tribe Trust Agreement.

**4.1** Intentionally Reserved.

**4.2 Required Certifications in Appendix D-3**

4.2.1 Identification of Lead Agency and Submission to Jurisdiction. Each Certification Form (Appendix D-3) must include a designation of lead agency, certified by the Office of the Governor (or the analogous chief executive) of the Indian Tribe on whose behalf the Certification Form is submitted, indicating which agency, department, office, or division will have the delegated authority to act on behalf of and legally bind such Indian Tribe. The Certification Form shall also include confirmation by the Certifying Entity that: (i) it has the authority to sign the Certification Form; and (ii) it agrees, without limitation, to be bound by the terms of this Indian Tribe Trust Agreement, including the allocations of Trust Assets provided hereunder, and to be subject to the jurisdiction of the Court for all matters concerning the interpretation or performance of, or any disputes arising under, this Indian Tribe Trust Agreement. The Certifying Entity’s agreement to federal jurisdiction for this purpose shall not be construed as consent to federal court jurisdiction for any other purpose.

4.2.2 Consent to Trustee Authority. Each Certification Form (Appendix D-3) must include an agreement by the Certifying Entity that the Trustee has the authorities specified in this Indian Tribe Trust Agreement, including, but not limited to, the authority: (i) to approve, deny, request modifications, or request further information related to any request for funds hereunder; and (ii) to implement this Indian Tribe Trust Agreement in accordance with its terms.

4.2.3 Certification of Legal Authority. Each Certification Form (Appendix D-3) must certify that: (i) the laws of the Certifying Entity do not prohibit it from being a Beneficiary hereunder; and (ii) prior to requesting any funds hereunder, the Certifying Entity has obtained full legal authority to receive and/or direct payments of such funds. If the Certifying Entity fails to demonstrate that it has obtained such legal authority, it shall not qualify as a Beneficiary pursuant to subparagraphs 4.0.2.1 and 5.0.5.1 until it has obtained such legal authority.

4.2.4 Certification of Legal Compliance. Each Certification Form (Appendix D-3) must include a certification and agreement that, in connection with all actions related to this Indian Tribe Trust, the Certifying Entity has followed and will follow all applicable law and that such Certifying Entity will assume full responsibility for its decisions in that regard.

4.2.5 Certification of Eligible Mitigation Action Accounts. Each Certification Form (Appendix D-3) shall include a certification by the Certifying Entity that all funds received on account of any Eligible Mitigation Action request that are not used for the Eligible Mitigation Action shall be returned to the Trustee for credit to the Tribal Allocation Subaccount.

4.2.6 Waiver of Claims for Injunctive Relief under Environmental or Common Laws. Each Certification Form (Appendix D-3) shall include an express waiver by the Certifying Entity, on behalf of itself and all of its agencies, departments, offices, and divisions, in favor of the parties to the Consent Decree (including the Defendants) of all claims for injunctive relief to redress environmental injury caused by the Subject Vehicles, whether based on the environmental or common law within its jurisdiction. Such waiver shall be binding on all agencies, departments, offices, and divisions of such Beneficiary asserting, purporting to assert, or capable of asserting such claims. The waiver need not waive, and the Certifying Entities may expressly reserve, their rights, if any, to seek fines or penalties. No waiver submitted by any Indian Tribe shall be effective unless and until such Indian Tribe actually receives Trust Funds.

4.2.7 Publicly Available Information. Each Certification Form (Appendix D-3) must include a certification by the Certifying Entity that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Certifying Entity, each until the Termination Date, unless the laws of the Certifying Entity require a longer record retention period. This certification shall include an explanation of the procedures by which the records may be accessed. These procedures shall be designed to support access and limit the burden for the general public. This certification can be made subject to applicable laws

governing the publication of confidential business information and personally identifiable information.

4.2.8 Notice of Availability of Mitigation Action Funds. Each Certification Form (Appendix D-3) must certify that, not later than 30 Days after being deemed a Beneficiary pursuant to subparagraph 4.0.2.1 hereof, the Certifying Entity will provide a copy of this Indian Tribe Trust Agreement with Attachments to the U.S. Department of the Interior, the U.S. Department of Agriculture, and any other Federal Agency that has custody, control, or management of land within or contiguous to the territorial boundaries of the Certifying Entity and has by then notified the Certifying Entity of its interest hereunder, explaining that the Certifying Entity may request Eligible Mitigation Action funds for use on lands within that Federal Agency's custody, control, or management (including, but not limited to, Clean Air Act Class I and II areas), and setting forth the procedures by which the Certifying Entity will review, consider, and make a written determination upon each such request. For the U.S. Department of the Interior and the U.S. Department of Agriculture, Beneficiaries may provide notice as required by this subparagraph to the following:

4.2.9 Registration of Subject Vehicles. Each Certification Form (Appendix D-3) must state, for the benefit of the parties to the Consent Decree (including the Defendants) and the owners from time-to-time of Subject Vehicles, that the Certifying Entity:

- (a) Shall not deny registration to any Subject Vehicle based solely on:
  - i. The presence of a defeat device or AECD covered by the resolution of claims in the Consent Decree; or
  - ii. Emissions resulting from such a defeat device or AECD; or
  - iii. The availability of an Approved Emissions Modification, an Emissions Compliant Recall, or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (b) Shall not deny registration to any Subject Vehicle that has been modified in accordance with an Approved Emissions Modification or Emissions Compliant Recall based solely on:
  - i. The fact that the vehicle has been modified in accordance with the Approved Emissions Modification or the Emissions Compliant Recall; or
  - ii. Emissions resulting from the modification (including, but not limited to, the anticipated emissions described in Appendix B to the First Partial Consent Decree and Appendix B to the Second Partial Consent Decree); or
  - iii. Other emissions-related vehicle characteristics that result from the modification; or
  - iv. The availability of an Approved Emissions Modification, an Emissions Compliant Recall, or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (c) May identify Subject Vehicles as having been modified, or not modified, in accordance with the Approved Emissions Modification or the Emissions Compliant Recall on the basis of VIN-specific information provided to the Certifying Entity by the Defendants.
- (d) Notwithstanding the foregoing, a Certifying Entity may deny registration to any Subject Vehicle on the basis that the Subject Vehicle fails to meet EPA's or the Certifying Entity's failure criteria for the onboard diagnostic ("OBD") inspection; or on other grounds authorized or required under applicable federal regulations (including an approved State Implementation Plan) or under Section 209 or 177 of the Clean Air Act, 42 U.S.C. §§ 7543, 7507, and not explicitly excluded in subparagraphs 4.2.9(a)-(b).

## **V. DISTRIBUTION OF INDIAN TRIBE MITIGATION TRUST ASSETS**

### **5.0 Intentionally Reserved.**

5.0.1 Intentionally Reserved.

5.0.2 Intentionally Reserved.

5.0.3 Allocation of Appendix A Mitigation Trust Payments. Any “National Mitigation Trust Payment” made pursuant to Section VI (Recall Rate) of Appendix A (Buyback, Lease Termination, and Vehicle Modification Recall Program) of the First Partial Consent Decree or Section X (Recall Rate) of Appendix A (Buyback, Lease Termination, Vehicle Modification, and Emissions Compliant Recall Program) of the Second Partial Consent Decree shall be allocated in accordance with Appendix D-1B as follows: 1.86% to the Tribal Allocation Subaccount and 0.17% to the Tribal Administration Cost Subaccount.

5.0.4 Allocation of Appendix B Mitigation Trust Payments. Any Mitigation Trust Payments made pursuant to Appendix B (Vehicle Recall and Emissions Modification Program) of the First Partial Consent Decree or Appendix B (Vehicle Recall and Emissions Modification Program for 3.0 Liter Subject Vehicles) of the Second Partial Consent Decree or any Consent Decree provisions related thereto shall be allocated in accordance with Appendix D-1B as follows: 1.86% to the Tribal Allocation Subaccount and 0.17% to the Tribal Administration Cost Subaccount.

5.0.5 Distribution of Tribal Allocation Subaccount. Within 30 Days after the Trust Effective Date, the Trustee shall post on the Indian Tribe Mitigation Trust’s public-facing website:

5.0.5.1 Notice: (i) that each Indian Tribe may seek to become a Beneficiary hereunder by filing with the Court, at the time it submits its first funding request, a Certification for Beneficiary Status under Environmental Mitigation Trust Agreement (Appendix D-3) consistent with Paragraph 4.2; and (ii) of the date by which the Trustee will determine and post notice of the Beneficiary status of each certifying Indian Tribe, which determination shall be made in a manner consistent with the procedures set forth in subparagraphs 4.0.2, 4.0.2.1, and 4.0.2.3.

5.0.5.2 Notice that each Indian Tribe may submit to the Trustee a Beneficiary Eligible Mitigation Action Certification form (Appendix D-4) that meet the requirements of subparagraphs 5.2.2 through 5.2.13, as applicable, by the following funding request deadlines for six annual funding cycles: (1) for the first funding cycle only -- 90 Days after the Trust Effective Date; and (2) for each funding cycle for years two through six -- by September 1, 2018, through September 1, 2022, respectively. For funding requests that seek DERA funds, the DERA Notice of Intent to Participate may be submitted to the Trustee for purposes of the funding request deadline. Any funding requests received by the Trustee after a funding request deadline for a funding cycle will be processed by the Trustee pursuant to subparagraph 5.2.16 in the next funding cycle.

5.0.5.2.1 Regardless of the total amount of funding requests received on each of these six annual funding request deadlines: (i) no more than one sixth of total remaining assets in the Tribal Allocation Subaccount may be committed during the first funding cycle; (ii) no more than one fifth of total remaining assets in the Tribal Allocation Subaccount may be committed during the second funding cycle; (iii) no more than one quarter of total remaining assets in the Tribal Allocation Subaccount may be committed during the third funding cycle; (iv) no more than one third of total remaining assets in the Tribal Allocation Subaccount may be committed during the fourth funding cycle; (v) no more than one half of total remaining assets in the Tribal Allocation Subaccount may be committed during the fifth funding cycle; and (vi) the remaining funds in the Tribal Allocation Subaccount may be committed during the sixth funding cycle. In the event uncommitted funds remain in the Tribal Allocation Subaccount or the Tribal Administration Subaccount after all funding requests have been approved or rejected during the sixth funding cycle, such funds will be available for up to four additional years or until expended in accordance with the procedure in subparagraphs 5.0.5.2.4 through 5.0.5.2.7.

5.0.5.2.2 In the event that the total amount of the funding requests received on any submission deadline is less than the total amount of funds available to be committed during the corresponding funding cycle, the Trustee shall make no adjustments to the funding requests before processing funding requests pursuant to subparagraph 5.2.16.

5.0.5.2.3 In the event that the total amount of the approvable funding requests received on any submission deadline is more than the amount of funds available to be committed during the corresponding funding cycle, the Trustee shall not approve any funding requests pursuant to subparagraph 5.2.16, but rather shall: (i) allocate to each Indian Tribe that has been deemed a Beneficiary hereunder and has submitted an approvable funding request during the funding cycle a share of the funds available during that funding cycle, weighted in accordance with the total population living within each Indian Tribe's tribal area according to the American Indian and Alaska Native areas of the 2010 Census (including reservations, off-reservation trust lands, and statistical areas); and (ii) publish on its public-facing website the tribal allocation within 60 Days after the funding request deadline for that funding cycle and notify each tribal applicant by letter and email that the Trustee is prepared to disburse this tribal allocation pursuant to subparagraph 5.2.16.1. In this event, such tribal allocation shall only apply to the over-subscribed funding cycle. To the extent an Indian Tribe has submitted a DERA Notice of Intent to Participate, such notice shall be used to calculate the total amount of funds requested under this subparagraph.

5.0.5.2.4 Within 120 Days after the funding request deadline for the sixth funding cycle, the Trustee shall file with the Court, deliver to the United

States, by and through EPA, and to each Indian Tribe previously deemed a Beneficiary hereunder, and publish on its public-facing website, an accounting of all Trust Assets in the Tribal Allocation Subaccount and Tribal Administration Cost Subaccount that have not by that date been expended on or obligated to approved Eligible Mitigation Actions or prior Trust Administration Costs, together with an estimate of funding reasonably needed to cover the remaining Trust Administration Costs for the Tribal Allocation Subaccount. The difference between these two amounts shall be referred to as the “Tribal Subaccounts Remainder Balance.”

5.0.5.2.5 For the seventh funding cycle, by the funding request deadline of September 1, 2023, any Indian Tribe that: (i) has been deemed a Beneficiary hereunder, or (ii) establishes Beneficiary status pursuant to Paragraph 4.0 and subparagraphs 2.1.2, 4.0.2.1, and 5.0.5.1, may submit to the Trustee a Beneficiary Eligible Mitigation Action Certification form (Appendix D-4) for Eligible Mitigation Action funding from the Tribal Subaccounts Remainder Balance. Each funding request shall meet the requirements of subparagraphs 5.2.2 through 5.2.13, as applicable.

5.0.5.2.6 If the total amount of the funding requests received by September 1, 2023, is less than the Tribal Subaccounts Remainder Balance, the Trustee shall make no adjustments to the funding requests before processing funding requests pursuant to subparagraph 5.2.16. If the total amount of the approvable funding requests received by September 1, 2023, exceeds the Tribal Subaccounts Remainder Balance, the Trustee shall: (i) allocate to each Indian Tribe that has been deemed a Beneficiary hereunder and has submitted an approvable funding request during the seventh funding cycle a share of the Tribal Subaccounts Remainder Balance, weighted in accordance with the total population living within each Indian Tribe’s tribal area according to the American Indian and Alaska Native areas of the 2010 Census (including reservations, off-reservation trust lands, and statistical areas); and (ii) publish on its public-facing website the tribal allocation by October 31, 2023.

5.0.5.2.7 If funds remain in the Tribal Subaccounts Remainder Balance after the seventh funding cycle, any Indian Tribe that: (i) has been deemed a Beneficiary hereunder, or (ii) establishes Beneficiary status pursuant to Paragraph 4.0 and subparagraphs 2.1.2, 4.0.2.1, and 5.0.5.1, may submit to the Trustee a Beneficiary Eligible Mitigation Action Certification form (Appendix D-4) for Eligible Mitigation Action funding from the Tribal Subaccounts Remainder Balance on a “first come, first served” basis until the funds are expended or until the end of the additional four-year period. Each funding request shall meet the requirements of subparagraphs 5.2.2 through 5.2.13, as applicable. Uncommitted funds remaining in the Tribal Allocation Subaccount or the Tribal Administration Subaccount after this additional

four-year period shall be returned to the Indian Tribe Trust Account and shall be subject to final disposition pursuant to subparagraph 5.4.5.

5.0.5.3 Any Beneficiary may use any share of its allocation for Eligible Mitigation Projects on Indian Land or in areas that are not Indian Land.

**5.1 Eligible Mitigation Actions and Expenditures:** The Trustee may only disburse funds for Eligible Mitigation Actions, and for the Eligible Mitigation Action Administrative Expenditures specified in Appendix D-2.

**5.2 Funding Requests:** Beneficiaries may submit requests for Eligible Mitigation Action funding at any time by filing with the Trustee a Beneficiary Eligible Mitigation Action Certification form (Appendix D-4), containing each of the certifications required by subparagraphs 5.2.2 through 5.2.13, as applicable. Each request for Eligible Mitigation Action funding must be submitted to the Trustee in electronic and hard-copy format, and include:

5.2.1 Intentionally Reserved.

5.2.2 A detailed description of the proposed Eligible Mitigation Action, including its community and air quality benefits;

5.2.3 An estimate of the NOx reductions anticipated as a result of the proposed Eligible Mitigation Action;

5.2.4 A project management plan for the proposed Eligible Mitigation Action, including a detailed budget and an implementation and expenditure timeline;

5.2.5 A certification that all vendors were or will be selected in accordance with state or tribal public contracting laws as applicable;

5.2.6 For each proposed expenditure exceeding \$25,000, detailed cost estimates from selected or potential vendors;

5.2.7 A detailed description of how the Beneficiary will oversee the proposed Eligible Mitigation Action, including, but not limited to:

5.2.7.1 Identification of the specific governmental entity responsible for reviewing and auditing expenditures of Eligible Mitigation Action funds to ensure compliance with applicable law; and

5.2.7.2 A commitment by the Beneficiary to maintain and make publicly available all documentation submitted in support of the funding request and all records supporting all expenditures of Eligible Mitigation Action funds, subject to applicable laws governing the publication of confidential business information and personally identifiable information, together with an

explanation of the procedures by which the Beneficiary shall make such documentation publicly available;

5.2.8 A description of any cost share requirement to be placed upon the owner of each NOx source proposed to be mitigated;

5.2.9 A description of how the Beneficiary complied with subparagraph 4.2.8;

5.2.10 If applicable, a description of how the Eligible Mitigation Action mitigates the impacts of NOx emissions on communities that have historically borne a disproportionate share of the adverse impacts of such emissions; and

5.2.11 A detailed plan for reporting on Eligible Mitigation Action implementation.

5.2.12 DERA Option. To the extent a Beneficiary intends to avail itself of the DERA Option described in Appendix D-2, that Beneficiary may use its DERA proposal as support for its funding request for those Eligible Mitigation Actions funded through the DERA Option.

5.2.13 Joint Application. Two or more Beneficiaries may submit a joint request for Eligible Mitigation Action funds. Joint applicants shall specify the amount of requested funding that shall be debited against each requesting Beneficiary's allocation.

5.2.14 Publication of Funding Requests. The Trustee shall post each funding request on the Indian Tribe Trust's public-facing website upon receipt.

5.2.15 Reliance on Form. The Trustee may rely on, with no further duty of inquiry, and shall be protected in acting upon, any Beneficiary Eligible Mitigation Action Certification form (Appendix D-4) reasonably believed by it to be genuine and to have been signed or sent by the proper person or persons.

5.2.16 Approval of Funding Requests. The Trustee shall approve any funding request that meets the requirements of this Indian Tribe Trust Agreement and its Appendices. Within 60 Days after receipt of each Eligible Mitigation Action funding request, the Trustee shall transmit to the requesting Beneficiary and post on the Indian Tribe Trust's public-facing website a written determination either: (i) approving the request; (ii) denying the request; (iii) requesting modifications to the request; or (iv) requesting further information. A Beneficiary may use such written determination as proof of funding for any DERA project application that includes Trust Funds as a non-federal voluntary match, as described in Appendix D-2. The Trustee shall respond to any modified or supplemental submission within 30 Days of receipt. Each written determination approving or denying an Eligible Mitigation Action funding request shall include an explanation of the reasons underlying the determination, including whether the proposed Eligible Mitigation Action meets the requirements set forth in Appendix D-2 or Appendix D-4. The Trustee's decision to approve, deny, request modifications, or request further information related to a

request shall be reviewable, upon petition of the United States or the submitting Beneficiary, by the Court.

5.2.16.1 Disbursement of Funds. The Trustee shall begin disbursing funds within 15 Days of approval of an Eligible Mitigation Action funding request according to the written instructions and schedule provided by the Beneficiary, unless such date is not a Business Day and then the payment shall be made on the next succeeding Business Day.

5.2.17 Unused Eligible Mitigation Action Funds. Upon the termination or completion of any Eligible Mitigation Action, any unused Eligible Mitigation Action funds shall be returned to the Indian Tribe Mitigation Trust and added back to the Tribal Allocation Subaccount.

**5.3 Beneficiary Reporting Obligations:** For each Eligible Mitigation Action, no later than six months after receiving its first disbursement of Trust Assets, and thereafter no later than January 30 (for the preceding six-month period of July 1 to December 31) and July 30 (for the preceding six-month period of January 1 to June 30) of each year, each Beneficiary shall submit to the Trustee a semiannual report describing the progress implementing each Eligible Mitigation Action during the six-month period leading up to the reporting date (including a summary of all costs expended on the Eligible Mitigation Action through the reporting date). Such reports shall include a complete description of the status (including actual or projected termination date), development, implementation, and any modification of each approved Eligible Mitigation Action. Beneficiaries may group multiple Eligible Mitigation Actions and multiple sub-beneficiaries into a single report. These reports shall be signed by an official with the authority to submit the report for the Beneficiary and must contain an attestation that the information is true and correct and that the submission is made under penalty of perjury. To the extent a Beneficiary avails itself of the DERA Option described in Appendix D-2, that Beneficiary may submit its DERA Quarterly Programmatic Reports in satisfaction of its obligations under this Paragraph as to those Eligible Mitigation Actions funded through the DERA Option. The Trustee shall post each semiannual report on the Indian Tribe Trust's public-facing website upon receipt.

**5.4 Supplemental Funding for Eligible Beneficiaries and Final Disposition of Trust Assets**

5.4.1 Intentionally Reserved.

5.4.2 Intentionally Reserved.

5.4.3 Intentionally Reserved.

5.4.4 Intentionally Reserved.

5.4.5 Final Disposition of Indian Tribe Trust Assets. Not later than the eleventh anniversary of the Trust Effective Date, any unused funds held by any Beneficiary shall be returned to the Indian Tribe Mitigation Trust. After the eleventh anniversary of the Trust

Effective Date, any Trust Assets held in the Indian Tribe Trust Account or any subaccount (including, but not limited to, the Tribal Allocation Subaccount and the Tribal Administration Cost Subaccount) that are not needed for final Trust Administration Costs shall be deemed to have been donated by the Indian Tribe Trust to fund Eligible Mitigation Actions administered by Federal Agencies that have custody, control, or management of land in the United States that is impacted by excess NOx emissions (including, but not limited to, Clean Air Act Class I and II areas) and that have the legal authority to accept such funds, in accordance with instructions to be provided by the United States. If no such Federal Agencies exist, the United States will file a motion, with notice to the Defendants and the Beneficiaries, requesting the Court to order that any Trust Assets held in the Indian Tribe Trust Account (or any subaccount thereof) be distributed either to a governmental unit or to another trust, the income of which is excluded from gross income under the provisions of Internal Revenue Code Section 115, 26 U.S.C. § 115.

**6.1 Jurisdiction:** The U.S. District Court for the Northern District of California shall be the sole and exclusive forum for the purposes of enforcing this Indian Tribe Mitigation Trust and resolving disputes hereunder, including the obligations of the Trustee to perform its obligations hereunder, and each of the Consent Decree Parties, the Indian Tribe Mitigation Trust, the Trustee, and each Beneficiary, expressly consents to such jurisdiction.

**6.2 Dispute Resolution:** Unless otherwise expressly provided for herein, the dispute resolution procedures of this Paragraph shall be the exclusive mechanism to resolve any dispute between or among the Indian Tribes, the Consent Decree Parties, and the Trustee arising under or with respect to this Indian Tribe Trust Agreement.

6.2.1 Informal Dispute Resolution. Any dispute subject to Dispute Resolution under this Indian Tribe Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when the disputing party sends to the counterparty a written Notice of Dispute. Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed 30 Days from the date the dispute arises, unless that period is modified by written agreement. If the disputing parties cannot resolve the dispute by informal negotiations, then the disputing party may invoke formal dispute resolution procedures as set forth below.

6.2.2 Formal Dispute Resolution. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by serving on the counterparty a written Statement of Position regarding the matter in dispute. The Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. The counterparty shall serve its Statement of Position within 30 Days of receipt of the disputing party's Statement of Position, which shall also include, but need not be limited to, any factual data, analysis, or opinion supporting the counterparty's position and any supporting documentation and legal authorities relied upon by the counterparty. If the disputing parties are unable to consensually resolve the dispute within 30 Days after the counterparty serves its Statement of Position on the disputing party, the disputing party may file with the Court a motion for judicial review of the dispute in accordance with the following subparagraph.

6.2.3 Judicial Review. The disputing party may seek judicial review of the dispute by filing with the Court and serving on the counterparty and the United States, a motion requesting judicial resolution of the dispute. The motion must be filed within 45 Days of receipt of the counterparty's Statement of Position pursuant to the preceding subparagraph.

The motion shall contain a written statement of disputing party's position on the matter in dispute, including any supporting factual data, analysis, opinion, documentation, and legal authorities, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the Indian Tribe Trust. The counterparty shall respond to the motion within the time period allowed by the Local Rules of the Court, and the disputing party may file a reply memorandum, to the extent permitted by the Local Rules.

**6.3 Choice of Law:** The validity, interpretation, and performance of this Indian Tribe Mitigation Trust shall be governed by the laws of the State of Delaware and the United States, without giving effect to the rules governing the conflicts of law that would require the application of the law of another jurisdiction. The duties, rights, protections, and immunities of the Trustee, as a trustee of a statutory trust under the Delaware Act, shall be governed by the laws of the State of Delaware and the United States, without giving effect to the rules governing the conflicts of law that would require the application of the law of another jurisdiction. This Indian Tribe Trust Agreement shall not be subject to any provisions of the Uniform Trust Code as adopted by any State, now or in the future. This Indian Tribe Trust Agreement shall be interpreted in a manner that is consistent with the Consent Decree, provided, however, that in the event of a conflict between the Consent Decree and this Indian Tribe Trust Agreement, this Indian Tribe Trust Agreement shall control.

**6.4 Waiver of Jury Trial:** Each party hereto and each Beneficiary hereof hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Indian Tribe Trust.

**6.5 Modification:** Material modifications to the Indian Tribe Mitigation Trust or Appendix D-2 (Eligible Mitigation Actions and Mitigation Action Expenditures) may be made only with the written consent of the United States and upon order of the Court, and only to the extent that such modification does not change or inhibit the purpose of this Indian Tribe Mitigation Trust. Any modification of this Indian Tribe Mitigation Trust that affects the rights, powers, duties, obligations, liabilities, or indemnities of the Trustee requires the written consent of the Trustee. Minor modifications or clarifying amendments to the Indian Tribe Mitigation Trust, Appendix D-2 (Eligible Mitigation Actions and Mitigation Action Expenditures) or Appendix D-4 (Beneficiary Eligible Mitigation Action Certification) may be made upon written agreement between the United States and the Trustee, as necessary to enable the Trustee to effectuate the provisions of this Indian Tribe Mitigation Trust, and shall be filed with the Court. To the extent the consent of the Defendants is required to effectuate the modification or amendment, such consent shall not be unreasonably withheld. Notwithstanding the foregoing sentence, without the express written consent of the Defendants, no modification shall: (i) require the Defendants to make any payments to the Indian Tribe Trust other than the Mitigation Trust Payments required by the Consent Decree; or (ii) impose any greater obligation on Defendants than those set forth in the Indian Tribe Trust Agreement that is being modified. The Trustee shall provide to the Beneficiaries not less than 30 Days' notice of any proposed modification to the Indian Tribe Mitigation Trust, whether material or minor, before such modification shall become effective.

**6.6 Severability:** If any provision of this Indian Tribe Trust Agreement or application thereof to any person or circumstance shall be finally determined by the Court to be invalid or

unenforceable to any extent, the remainder of this Indian Tribe Trust Agreement, or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and such provision of this Indian Tribe Trust Agreement shall be valid and enforced to the fullest extent permitted by law.

**6.7 Taxes:** The Indian Tribe Mitigation Trust is intended to be a qualified settlement fund (“QSF”) pursuant to Section 468B of the Internal Revenue Code, 26 U.S.C. § 468B, and related Treasury Regulations. The Trustee is intended to be the Indian Tribe Trust’s “administrator,” within the meaning of Treasury Regulation Section 1.468B-2(k)(3), 26 C.F.R. § 1.468B-2(k)(3). The Trustee shall use its best efforts to submit, within six months after the Trust Effective Date, an application and all necessary supporting documentation to the IRS to obtain a Private Letter Ruling from the IRS: (1) that the Indian Tribe Mitigation Trust will be treated as a Qualified Settlement Fund under 26 C.F.R. § 1.468B-1; and (2) on any federal tax matter that the Tax Professionals reasonably believe is necessary to support the ruling in (1) or otherwise prudent to clarify an uncertain application of federal tax law to the Indian Tribe Mitigation Trust. Within ten Days after any application has been made to the IRS, the Trustee shall provide a copy of the application and accompanying documentation to the United States (pursuant to subparagraph 6.0.1) and to the known Beneficiaries (pursuant to the secure internet-based communication in Paragraph 6.0). Within seven Days after receipt of any IRS Private Letter Ruling, the Trustee shall provide a copy to the United States (pursuant to subparagraph 6.0.1) and the known Beneficiaries (pursuant to the secure internet-based communication established in Paragraph 6.0). The Trustee shall be responsible for filing all required Tax Returns, ensuring compliance with income tax withholding and reporting requirements, and paying applicable Taxes with respect to the Indian Tribe Trust in a manner consistent with Section 468B of the Internal Revenue Code, 26 U.S.C. § 468B, and related Treasury Regulations. All Taxes shall be paid from amounts on deposit in the Tax Payment Subaccount established pursuant to subparagraph 2.1.5. The Defendants shall provide to the Trustee and the IRS the statement described in Treasury Regulation Section 1.468B-3(e)(2), 26 C.F.R. § 1.468B-3(e)(2), no later than February 15th of the year following each calendar year in which the Settling Defendants make a transfer to the Indian Tribe Trust.

**6.8 Termination:** After all funds have been expended pursuant to subparagraph 5.4.5, final reports have been delivered pursuant to Paragraph 3.3 and subparagraph 3.3.1, and notice regarding retained documents has been provided pursuant to subparagraph 3.3.2, the Trustee may file a motion with the Court requesting an order to begin the process under the Delaware Act to terminate this Indian Tribe Trust. The United States and the Beneficiaries shall be given not less than 60 Days to oppose such motion. After the Court approves the motion to terminate, the Trustee shall begin the dissolution and winding up processes under the Delaware Act. On the date that the Trustee completes all the statutory requirements under the Delaware Act and files a certificate of cancellation, this Indian Tribe Trust shall terminate (the “Termination Date”).

\_\_\_\_\_ (“Beneficiary”), by and through the Office of the Governor (or the analogous Chief Executive) of the Indian Tribe on whose behalf the Certification Form is submitted: (i) hereby identifies \_\_\_\_\_ (“Lead Agency”) as the Lead Agency for purposes of the Beneficiary’s participation in the Environmental Mitigation Trust (“Trust”) as a Beneficiary; and (ii) hereby certifies that the Lead Agency has the delegated authority to act on behalf of and legally bind the Beneficiary for purposes of the Trust.

2. Submission to Jurisdiction

The Beneficiary expressly consents to the jurisdiction of the U.S. District Court for the Northern District of California for all matters concerning the interpretation or performance of, or any disputes arising under, the Trust and the Environmental Mitigation Trust Agreement (“Trust Agreement”). The Beneficiary’s agreement to federal jurisdiction for this purpose shall not be construed as consent to federal court jurisdiction for any other purpose.

3. Agreement to be Bound by the Trust Agreement and Consent to Trustee Authority

The Beneficiary agrees, without limitation, to be bound by the terms of the Trust Agreement, including the allocations of the Trust Assets set forth in Appendix D-1 and Appendix D-1A to the Trust Agreement, as such allocation may be adjusted in accordance with the Trust Agreement. The Beneficiary further agrees that the Trustee has the authorities set forth in the Trust Agreement, including, but not limited to, the authority: (i) to approve, deny, request modifications, or request further information related to any request for funds pursuant to the Trust Agreement; and (ii) to implement the Trust Agreement in accordance with its terms.

4. Certification of Legal Authority

The Beneficiary certifies that: (i) it has the authority to sign and be bound by this Certification Form; (ii) the Beneficiary’s laws do not prohibit it from being a Trust Beneficiary; and (iii) prior

to requesting any funds from the Trust, the Beneficiary has obtained full legal authority to receive and/or direct payments of such funds. If the Beneficiary fails to demonstrate that it has obtained such legal authority, it shall not qualify as a Beneficiary under the Trust Agreement until it has obtained such legal authority.

5. Certification of Legal Compliance and Disposition of Unused Funds

The Beneficiary certifies and agrees that, in connection with all actions related to the Trust and the Trust Agreement, the Beneficiary has followed and will follow all applicable law and will assume full responsibility for its decisions in that regard. The Beneficiary further certifies that all funds received on account of any Eligible Mitigation Action request that are not used for the Eligible Mitigation Action shall be returned to the Trust for credit to the Tribal Allocation Subaccount.

6. Waiver of Claims for Injunctive Relief under Environmental or Common Laws

Upon becoming a Beneficiary, the Beneficiary, on behalf of itself and all of its agencies, departments, offices, and divisions, hereby expressly waives, in favor of the parties (including the Settling Defendants) to the Partial Consent Decree (Dkt. No. 2103-1) and the parties (including the Defendants) to the Second Partial Consent Decree (Dkt. No. 3228-1), all claims for injunctive relief to redress environmental injury caused by the 2.0 Liter Subject Vehicles and the 3.0 Liter Subject Vehicles (jointly, "Subject Vehicles"), whether based on the environmental or common law within its jurisdiction. This waiver is binding on all agencies, departments, offices, and divisions of the Beneficiary asserting, purporting to assert, or capable of asserting such claims. This waiver does not waive, and the Beneficiary expressly reserves, its rights, if any, to seek fines or penalties. No waiver submitted by any Indian Tribe shall be effective unless and until such Indian Tribe actually receives Trust Funds.

7. Publicly Available Information

The Beneficiary certifies that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Beneficiary, each until the Termination Date of the Trust pursuant to Paragraph 6.8 of the Trust Agreement, unless the laws of the Beneficiary require a longer record retention period. Together herewith, the Beneficiary attaches an explanation of: (i) the procedures by which the records may be accessed, which shall be designed to support access and limit burden for the general public; and (ii) a description of whether and the extent to which the certification in this Paragraph 7 is subject to the Beneficiary's applicable laws governing the publication of confidential business information and personally identifiable information.

8. Notice of Availability of Mitigation Action Funds

The Beneficiary certifies that, not later than 30 Days after being deemed a Beneficiary pursuant to the Trust Agreement, the Beneficiary will provide a copy of the Trust Agreement with Attachments to the U.S. Department of the Interior, the U.S. Department of Agriculture, and any

other Federal agency that has custody, control or management of land within or contiguous to the territorial boundaries of the Beneficiary and has by then notified the Beneficiary of its interest hereunder, explaining that the Beneficiary may request Eligible Mitigation Action funds for use on lands within that Federal agency's custody, control or management (including, but not limited to, Clean Air Act Class I and II areas), and setting forth the procedures by which the Beneficiary will review, consider, and make a written determination upon each such request.

9. Registration of Subject Vehicles

The Beneficiary certifies, for the benefit of the Parties (including the Settling Defendants) to the Partial Consent Decree and the Parties to the Second Partial Consent Decree (including the Defendants) and the owners from time-to-time of Subject Vehicles, that upon becoming a Beneficiary, the Beneficiary:

- (a) Shall not deny registration to any Subject Vehicle based solely on:
  - i. The presence of a defeat device or AECD covered by the resolution of claims in the Partial Consent Decree or in the Second Partial Consent Decree; or
  - ii. Emissions resulting from such a defeat device or AECD; or
  - iii. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (b) Shall not deny registration to any Subject Vehicle that has been modified in accordance with an Approved Emissions Modification or an Emissions Compliant Recall based solely on:
  - i. The fact that the vehicle has been modified in accordance with the Approved Emissions Modification or the Emissions Compliant Recall; or
  - ii. Emissions resulting from the modification (including, but not limited to, the anticipated emissions described in Appendix B to the Partial Consent Decree and Appendix B to the Second Partial Consent Decree); or
  - iii. Other emissions-related vehicle characteristics that result from the modification; or
  - iv. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (c) May identify Subject Vehicles as having been modified, or not modified, in accordance with the Approved Emissions Modification or the Emissions

Compliant Recall on the basis of VIN-specific information provided to the Beneficiary by the Defendants.

- (d) Notwithstanding the foregoing, the Beneficiary may deny registration to any Subject Vehicle on the basis that the Subject Vehicle fails to meet EPA’s or the Beneficiary’s failure criteria for the onboard diagnostic (“OBD”) inspection; or on other grounds authorized or required under applicable federal regulations (including an approved State Implementation Plan) or under Section 209 or 177 of the Clean Air Act and not explicitly excluded in subparagraphs 9(a)-(b).

10. Reliance on Certification

The Beneficiary acknowledges that the Trustee is entitled to rely conclusively on, without further duty of inquiry, and shall be protected in relying upon, this Appendix D-3 Certification, or a subsequent communication from the Lead Agency designating new or additional authorized individuals, as setting forth the Lead Agency and the authorized individuals who may direct the Trustee with respect to all of the Beneficiary's rights and duties under the Trust Agreement. The Beneficiary and its delegated Lead Agency, including all authorized individuals, agree to comply with all security procedures, standard payment and signatory authorization protocols, as well as procedures for designating new or additional authorized individuals, as set forth by the Trustee.
