

***NASEO's Volkswagen Settlement  
State Planning Session***  
**Tuesday, December 13, 2016**  
**Preliminary Agenda**

*Meeting Location: National Electrical Manufacturers Association Conference Center  
1300 North 17<sup>th</sup> Street, Hubbell Suite (first floor), Arlington, Virginia*

**Tuesday, December 13, 2016**

12:45 p.m. – 12:55 p.m. – Welcome and Opening Remarks

NASEO will welcome participants to the Volkswagen Settlement State Planning Session, introduce attendees, and review the day's agenda. Goals for the day include: providing the State Energy Offices and guests with the most up-to-date information on relevant portions of the Volkswagen Settlement; gaining a better understanding of the role of states and opportunities for alternative fuel vehicle investment; and sharing questions, comments, concerns, and best practices.

- *Robert Jackson, NASEO Chair*
- *David Terry, NASEO Executive Director*

12:55 p.m. – 1:10 p.m. – Settlement Overview and NASEO Actions and Resources

This session will provide a brief overview of relevant portions of the Volkswagen Settlement, including a review of the estimated timing and opportunities for states. Staff will also provide an overview of resources provided by NASEO.

- *Cassie Powers, NASEO Senior Program Director*

1:10 p.m. – 2:15 p.m. – U.S. EPA and Volkswagen, USA Updates and State Q&A

Representatives from the U.S. Environmental Protection Agency and Volkswagen AG will provide updates on the Environmental Mitigation Trust and the ZEV Investment Commitment, respectively, and discuss next steps with participants.

- *Wayne Killen, Electric Vehicle Architect, Audi of America (invited)*
- *U.S. EPA Representative (invited)*
- *Facilitated Q&A*

2:15 p.m. – 2:45 p.m. – Resources from U.S. DOE and the National Labs

The U.S. Department of Energy and National Labs have developed a suite of resources that may be of interest to states as they explore potential projects under the Environmental Mitigation Trust. During this session, a representative from the National Labs will provide an overview of relevant alternative fuels resources, and discuss how these resources may be of value during the Beneficiary Mitigation Planning process.

- *Argonne National Labs/National Renewable Energy Laboratory Representative (invited)*

2:45 p.m. – 3:00 p.m. – Break

3:00 p.m. – 4:15 p.m. – State VW Settlement Actions and Planning Discussion [NASEO Board Only]

This closed session will include a facilitated discussion on the Volkswagen Settlement and state updates from the NASEO Board.

- *Robert Jackson, NASEO Chair*

4:15 p.m. – Wrap up and Adjourn

- *Robert Jackson, NASEO Chair*
