Dear Potential NASEO Exhibitor or Sponsor:

I am pleased to announce that the 2008 National Association of State Energy Officials (NASEO) Annual Meeting will be held at the Sheraton Overland Park Hotel and Convention Center in Overland Park, Kansas. We would like to invite you to be an exhibitor or sponsor at this year's conference.

The objective of the NASEO Annual Meeting is to provide an opportunity to state energy directors, technical energy staff officials, federal and regional energy officials and a wide variety of stakeholders to participate in informative sessions on numerous energy-related topics. With more than 150 anticipated conference participants, including lead energy decision makers from state governments, this conference is a unique opportunity for your company or institution to market its products and services.

The fifty six (56) state and territorial energy offices that make up NASEO's core membership together spend hundreds of millions of dollars per year on energy products that run across the entire industry, from improving efficiency in residential, commercial and government buildings, to promoting wind, solar and biomass, just to name a few. At NASEO's Annual Meeting exhibitors and sponsors will be able to interface with state energy officials in a friendly and intimate setting. In addition, the NASEO Annual Meeting features a Welcome Reception to provide exhibitors and sponsors with an opportunity for interaction and discussion with meeting participants.

To reserve exhibit space or sign up for sponsorship opportunities, please complete the enclosed registration forms. If you have any questions or need additional information, please contact Shemika Spencer, NASEO's Director of Member Services, at 703.299.8800 x15 or via email at sspencer@naseo.org.

Sincerely,

Michelle New
