This directory was completed with support from the U.S. Environmental Protection Agency. ENERGY STAR is a joint program of EPA and the U.S. Department of Energy helping the nation to save money and protect the environment through energy efficient products and services. States and territories are critical drivers of the achievements of Energy Star in reducing energy use, utility bills and greenhouse gas emissions across the country.

For more information on ENERGY STAR, please visit the official Energy Star website at www.energystar.org.

For more information, or to update your state's ENERGY STAR Program Manager, please contact Benjamin Deitchman at NASEO at 703.299.8800 ext. 13 or bdeitchman@naseo.org.
