FOR IMMEDIATE RELEASE – September 16, 2005

Crude Oil, Distillate, Natural Gas, and Propane Supplies and Prices –What's Ahead for Consumers and Industry this Winter?

WHAT: Speakers at the annual Winter Fuels Outlook Conference sponsored by the U.S. Department of Energy, will address the following questions and more on October 12, 2005, in Washington, DC:

- Should consumers be concerned about oil supplies this winter?
- Will oil prices continue to rise, potentially weakening the economy?
- Will heating oil hit new highs during the winter heating season?
- What are the emerging issues that may impact natural gas and propane markets?

WHO:

- Department of Energy's Office of Electricity Delivery and Energy Reliability
- Guy Caruso, Administrator, U.S. Energy Information Administration
- Adam Sieminski, Deutsche Bank
- Ron Gist, Purvin & Gertz
- Natural Gas—Domestic Production and Demand Forecast
