

BOSCH

Invented for life

Meredith Tunick

**Manager, Federal Government Affairs
The Bosch Group**

Based in Washington, D.C., Ms. Meredith Tunick serves as Manager, Federal Government Affairs at Robert Bosch LLC. The Bosch Group is a leading global supplier of automotive and industrial technology, consumer goods and building technology. Ms. Tunick is responsible for managing and coordinating Bosch's federal government affairs activities, specifically focusing on energy and building technologies. She joined Bosch in March 2011.

Prior to working at Bosch, Ms. Tunick served as Special Assistant for Policy to the Deputy Assistant Secretary of the Army (Environment, Safety, and Occupational Health), providing congressional liaison support. In this capacity, she helped facilitate partnerships between the Army and Congress. Ms. Tunick also worked directly for the Assistant Secretary of the Army (Installations, Energy and Environment) on special projects concerning energy, and served as the environmental technology program liaison to the Department of Defense's Unexploded Ordnance Center of Excellence (UXOCOE).

Between 2000 and 2007, Ms. Tunick served as Manager of Regulatory Affairs for the Motor & Equipment Manufacturers Association, representing over 750 motor vehicle suppliers before the U.S. Congress and federal agencies.

Ms. Tunick earned a Master's degree in European Studies (Economics, Law, and Political Science) at the University of Bonn's Center for European Integration Studies in Bonn, Germany, and a B.A. in Political Science, with a minor in International Relations, from The George Washington University in Washington, D.C.
