

**Fuels & Grid Integration Committee Meeting**  
Thursday, February 5, 2015 from 3:45 – 5:15 pm

**Meeting Summary**

The NASEO Fuels and Grid Integration Committee is the focal point for sharing of state, federal, and private sector activities related to the production, distribution, and consumption of electricity and liquid and gas fuels. The Committee helps to develop policy positions for consideration by NASEO's Board, shares best program and policy practices among the states, and supports pilot projects and programs developed by NASEO, the State and Territory Energy Offices, and Affiliate members. This meeting of NASEO's Fuels and Grid Integration Committee focuses on State Energy Office and Public Utility Commission cooperation, discussions on pending federal resiliency legislation, and updates from DOE's National Electricity Delivery Division.
