Readiness for Resilience

A Smart Technology Roadmap For Texas

No Cost Registration at agrilifeextension.eventbrite.com

Workshop Agenda

- Smart Technologies for Resiliency
- Public - Private Partnerships
- Funding Opportunities

tcwp.tamu.edu/SmartTech

Join us as we continue our commitment to long-term community resilience through the Smart Technology Roadmap for Texas. Community leaders, stakeholders, and technology partners will convene and discuss regional project directions, partnerships and funding opportunities as we work together to build a more resilient Texas.

Two Locations, Same Agenda

(Rescheduled from May 20-21)

**University of Houston
Student Center**

TUESDAY, JULY 9

8:00 am - 4:00 pm

**Port Aransas
Community Center**

THURSDAY, JULY 11

8:00 am - 4:00 pm

Qualcomm Incorporated has sponsored this program to assist Texas communities impacted by Hurricane Harvey
